## Boeing 787-9 Dreamliner Negotiations

Tuesday, May 1, 2018

***Dear Hawaiian Flight Attendants:***

On March 6<sup>th</sup>, Hawaiian Airlines announced its intention to acquire the 787-9 Dreamliner aircraft with delivery of the aircraft slated to begin in 2021. The announcement triggered the contractual requirement to negotiate staffing and other conditions for the 787-9 aircraft.

We have had to interrupt our scheduled, ongoing contract negotiations and are now in our third full week of talks to reach a deal on the new aircraft.

Management has indicated that they would like to see the 787-9 deal reached by Friday, May 4<sup>th</sup>. This past weekend, the pilots, represented by ALPA, reached their agreement with management.

We will update you at the end of this week.
