(hereinafter know as the "Company") and the FLIGHT ATTENDANTS in the service of HAWAIIAN AIRLINES, INC. as represented by the ASSOCIATION OF FLIGHT ATTENDANTS - CWA (hereinafter known as the "Association").

WITNESSETH:

NOW, THEREFORE, the parties hereto mutually agree:

[INTENTIONALLY LEFT BLANK]

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

**A. Recognition**

1. In accordance with the certification made by the National Mediation Board (File No. C-4445) on November 16, 1977, the Company hereby recognizes the ASSOCIATION OF FLIGHT ATTENDANTS-CWA as the duly designated and authorized representative of the Flight Attendants in the employ of the Company for the purposes of the Railway Labor Act, as amended.
2. The Company recognizes the right of Flight Attendants on the Flight Attendant System Seniority List to perform the Company's flying on the Company's aircraft as specified in this Agreement.

**B. Scope**

1. This Agreement covers all revenue flying performed by or for the Company or any Affiliate.
2. As used herein, the term "all revenue flying performed by or for the Company or any Affiliate" shall include, but not be limited to, all flying over the Company's or any Affiliate's present or future routes and extensions thereof, and any contract (government, military or commercial) flying, charter flying and flying subcontracted for or by the Company or any Affiliate and/or subcontracted out by the Company or any Affiliate, any "wet-lease" flying, and any flying under the Company's or an Affiliate's control.
3. Except as provided in paragraph B.6 of this Section, all revenue flying by or for the Company or any Affiliate covered by this Agreement shall be performed by Flight Attendants whose names appear on the Hawaiian Airlines, Inc. Flight Attendant System Seniority Lists under the terms and conditions of the Agreement.
4. No revenue flying covered by this Agreement shall be performed by the Company or an Affiliate until the Company and the Association have signed an agreement covering the rates of pay, rules and working conditions applicable to such flying.
5. In the event that the Company or an Affiliate determines to perform revenue flying which is not already covered by this Agreement, the following procedures will be followed:
  - a. The Company will send written notification to the President of the Hawaiian Airlines Flight Attendants' Master Executive Council of its intent to commence such revenue flying. At the same time, a copy of such notification

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

will be sent to the President of the Association and to the Association of Flight Attendants' Legal Department, One O'Hare Center, 6250 North River Road, Suite 4020, Rosemont, IL 60018-4210.

- b. Within two (2) consecutive calendar days of such notification, the parties will commence conferences in the Company's general offices in Honolulu, Hawaii or at some other mutually agreeable location. Such conferences shall be for the purpose of negotiating the rates of pay, rules and working conditions applicable to such revenue flying. Direct conferences between the parties shall continue for not more than ten (10) consecutive calendar days or until an agreement is reached, whichever occurs first, unless the parties mutually extend such ten (10) day period.
  - c. If no agreement has been reached at the end of such ten (10) day period or any extension thereof, then the open unresolved issues will be submitted promptly for determination by an arbitrator to be mutually agreed upon by the parties. The arbitrator shall have the authority and responsibility to hear and determine all of the open unresolved issues.
  - d. The hearing before the arbitrator will commence as soon as possible after the ten (10) day period of direct negotiation or any extension thereof. Within ten (10) consecutive calendar days after the close of the hearing, the arbitrator shall furnish each of the parties with a copy of her/his written decision concerning the open unresolved items and such decision shall be final and binding upon the parties hereto.
  - e. The entire period from notification specified in Subparagraph (a) above until the arbitrator issues her/his written decision shall include not more than thirty (30) consecutive calendar days, unless mutually extended by the parties hereto.
6. Paragraph B.3 of this Section shall prohibit the Company or an Affiliate of the Company from (1) entering into marketing and related arrangements that permit another air carrier ("Feeder Carrier") to utilize the Company's designator code, name, logo or marks in commercial flight operations (any such agreement, a "Code Sharing Agreement"), or (2) partly or wholly acquiring, establishing, or operating another carrier that does not operate under this Agreement, unless the Company ensures that the following applicable requirements are satisfied with respect to any such Feeder Carrier:

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

- a. The term “Feeder Carrier” refers to an air carrier that operates under a Code Sharing Agreement using its own operating certificate in lawfully operable commercial flight operations under the following conditions, or an air carrier that the Company or an Affiliate has partly or wholly acquired or established and operates using such carrier’s operating certificate, under the following conditions. A Feeder Carrier acquired, established or operated by the Company, or the portion of a Feeder Carrier operated under a Code Sharing Agreement with the Company, may operate only (i) within the Hawaiian Islands (hereinafter, an “Inter-Island Feeder Carrier”) or (ii) in markets (city pairs) that provide passenger feed to or from the Company’s B-767/A-330/A-350 or equivalent operations on the West Coast of the continental United States (hereinafter “West Coast Feeder Carrier”).
- b. A Feeder Carrier acquired, established or operated by the Company, and the portion of a Feeder Carrier operated under a Code Sharing Agreement with the Company, may operate only turboprop aircraft, and such aircraft must be lawfully operable in commercial flight operations with a maximum certificated seating capacity of sixty-nine (69) seats and a maximum certificated gross takeoff weight of no more than 69,000 pounds in passenger operations.
- c. With respect to Inter-Island Feeder Carriers:
  - i. An Inter-Island Feeder Carrier will conduct no commercial passenger flight operations of any kind on the following city pairs: HNL-LIH, HNL-ITO, HNL-KOA, and HNL-OGG.
  - ii. The Company will neither furlough any Hawaiian Flight Attendants nor reduce the number of block hours the Company operates in 717 or equivalent jet operations within the Hawaiian Islands as a result of initiation or expansion of flying by an Inter-Island Feeder Carrier. The existence of an Inter-Island Feeder Carrier will not by itself be sufficient to demonstrate causation.
  - iii. During any consecutive twelve-month period of Inter-Island Feeder Carrier operation under this Agreement, the Company will not operate fewer than twenty-nine thousand (29,000) hours of Inter-Island turbojet block hours measured over the same period.
- d. With respect to West Coast Feeder Carriers, the Company will not furlough any Hawaiian Flight Attendant as a result of any Code Sharing Agreement or any commercial flight operations by such carrier, and the Company must

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

demonstrate that no Code Sharing Agreement or operation of such carrier will result in the displacement of any Flight Attendant.

- e. The Company shall not be required to apply this Agreement to Flight Attendants employed by a Feeder Carrier, and the Association shall make no argument to or in any forum that application of this Agreement to the Feeder Carrier is required by contract or law.
  - f. If the Company establishes a Feeder Carrier, or if it acquires a Feeder Carrier whose Flight Attendants are not represented by a union, the Company agrees to recognize, or cause the Feeder Carrier to recognize, the Association as the representative of such Flight Attendants upon a lawful demonstration of majority support and will take a neutral position with respect to the Association's efforts to secure and provide that lawful demonstration.
  - g. The Company will make commercially reasonable efforts to obtain the same jumpseat and pass privileges on the aircraft operated by the Feeder Carrier as Hawaiian Flight Attendants have on Hawaiian aircraft.
  - h. If the Company chooses to acquire and operate turboprop aircraft on Hawaiian's certificate, then the Parties shall meet to negotiate the rates of pay, rules and working conditions for such aircraft pursuant to Section 27.C.
  - i. The Company will require Feeder Carriers that it wholly owns and operates to provide a right of first interview and hire to furloughed Hawaiian Flight Attendants and will use its commercially reasonable best efforts to secure such rights from Feeder Carriers that it partly owns or which operate under a Code Sharing Agreement.
7. Except as expressly permitted in paragraph B.6 of this Section 1, or below, the Company shall not permit any other carrier to utilize the Company's designator code, name, trade name, brand, logo, trademarks, service marks, aircraft livery or aircraft paint scheme without the express written consent of the Association in commercial flight operations (a) within the Hawaiian Islands, (b) between the Hawaiian Islands and any other point in continental United States or Canada, or (c) between the Hawaiian Islands and any point in the South Pacific currently or in the future served by the Company. In considering requests by the Company for consent to engage in such arrangements, the Association will give due regard to the Company's need to establish partnerships with other carriers that are mutually beneficial to both the Company and the Flight Attendant group.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

- a. In the geographic areas not listed above, the Company may engage in Code Share Agreements under the framework outlined below:
- b. At the conclusion of the first six (6) month period of operation of a Code Sharing Agreement, the Company and the Association shall meet on a quarterly basis, at the Association's request, to review the financial and operating results of the Code Sharing Agreement. The Company shall provide the Association and the Association's economic and legal advisors, under a commercially standard confidentiality agreement, its best available financial and operating information concerning the Code Sharing Agreement.
- c. During these quarterly meetings, the Parties will discuss whether it would be profitable for the Company to fly a Code Share Route with its own aircraft. If it can be predicted with reasonable certainty that the Company can begin flying a Code Share Route with its own aircraft and, taking into account the revenues earned from passengers connecting to the Company's network, (i) operate the Code Share Route profitably on an annual basis for the fourth year of Company operation based on the Company's standard flight profitability measurement including standard allocations of corporate overhead expenses and invested capital and (ii) recover its cumulative investment including start-up losses on the Code Sharing Route within a period of seventy (70) months, there will be a presumption that the Company should fly the Code Share Route with its own aircraft.
- d. If a dispute arises as to where this presumption has been reached, that dispute shall be subject to final and binding, expedited arbitration before the AFA-Hawaiian System Board of Adjustment sitting with a neutral member jointly selected by the Parties.
- e. Once it has been agreed or determined by arbitration that the presumption has been reached, the Parties shall meet within ninety (90) days to discuss the following options: (i) that the Code Sharing Agreement be extended without Company operation on the Code Share Route; (ii) that the Company should begin flying the Code Share Route with its own aircraft; or, (iii) that the Code Sharing Agreement for the Code Share Route be discontinued.
- f. If there is no agreement on option e.(i) above, then the Company must either: (i) at the next regularly scheduled meeting of the Board of Directors, seek and obtain Board approval to commence flying the Code Share Route with the Company's own aircraft within a six (6) month period of time; or (ii)

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

discontinue the Code Sharing Agreement for the Code Share Route or in its entirety.

8. The Company and the Association shall establish a Scope Review Committee comprised of the Vice-President of Customer Services, the Vice-President of Marketing and another Company representative and three (3) Flight Attendants designated by the Association's Hawaiian Master Executive Council. The Scope Review Committee shall meet periodically, but no less than quarterly, to review the financial and operating results of any of the Company's code sharing agreements with other carriers and to ensure that the Company is in compliance with Section 1.B. of this Agreement. The Company shall provide the Scope Review committee and the Association's economic and legal advisors, under a commercially standard confidentiality agreement, if necessary, its best available financial and operating information concerning the Company's code sharing practices with other carriers.

**C. Parent, Subsidiary, Affiliate or Successor Company(s)**

1. The provisions of this Agreement shall be binding upon any Parent, Affiliate or Successor.
2. The Company and its Affiliates shall require any successor, assign, assignee, transferee, administrator, executor and/or trustee of the Company or of a Parent ("Successor") resulting from the transfer (in a single transaction or in multi-step transactions) to the Successor of the ownership and/or control of all or substantially all of the equity securities and/or assets of the Company (a "Successorship Transaction") to employ the Flight Attendants on the Hawaiian Airlines System Seniority List in accordance with the provisions of the Agreement and to assume and be bound by the Agreement.
3. The Company and its Affiliates agree to give written notice of the terms of this Agreement to a proposed Successor, before concluding any Successorship Transaction. The Company and its Affiliates agree that no agreement or other legally binding commitment involving a Successorship Transaction will be signed or otherwise entered into, unless it is agreed in writing as a material and irrevocable condition of entering into, concluding and implementing the transaction, that this Agreement and recognition of the Association is assumed by the Successor(s), and that the Flight Attendants on the Hawaiian Airlines Flight Attendants' System Seniority List will be employed in accordance with the provisions of this Agreement. The Company will provide the Association with the details of, and material agreements related to, any such transaction in a timely manner.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

4. The Company will not enter into, maintain, or permit any transaction, agreement or arrangement which provides for, permits, facilitates, creates, maintains or results in the establishment of a Parent or an Affiliate unless the Parent or Affiliate agrees in writing, as an irrevocable condition of such transaction, agreement or arrangement, to be bound by the Agreement in the same manner as the Company as if every reference to the "Company" in this Agreement also referred to and bound the Parent or Affiliate.

**D. Labor Protective Provisions**

1. The Flight Attendants will be provided with the same labor protective provisions specified by the Civil Aeronautics Board in Sections 2., 3., and 13. only of the Allegheny-Mohawk merger conditions as amended (herein "LPP") as a material and irrevocable written condition of any future merger or acquisition, as defined by Section 2.a. of said LPP, involving the Company. The written condition to provide the Flight Attendants with said LPP shall be embodied in a signed agreement between/among the parties to the transaction, which shall specifically:
  - a. Bind all parties to the transaction, including the Company and any successor of the Company, to assume and carry out the obligation to provide the Flight Attendants with said LPP as a material and irrevocable condition of entering into, concluding and implementing this transaction.
  - b. Provide that the Association and affected Flight Attendants shall have all necessary and required rights and standing to invoke said LPP, and to take such action as is necessary to enforce the application of said LPP, against all parties to the transaction, including the Company and any successor of the Company; provided that, with respect to the integration of seniority lists between/among two or more groups represented by the Association, the Association merger policy shall be applied according to its terms before Section 13. of the said LPP may be invoked as to any dispute or controversy over integration of seniority lists, and that Section 13. may be invoked on behalf of the Flight Attendants only by the Association as bargaining representative.
  - c. Provide that the Association and the affected Flight Attendants shall be entitled to a remedy of specific performance, including injunctive relief, against all parties to the transaction, including the Company and any successor of the Company, to enforce the application of said LPP.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

2. The signed agreement required by paragraph 1. above shall be provided to the Association within seventy-two (72) hours of signing any agreement or other legally binding merger or acquisition commitment.

**E. Job Security**

1. If, within any twelve (12) month period, the Company or an Affiliate sells, transfers or disposes in a single transaction or a series of transactions assets, net of asset purchases or acquisitions during the same twelve (12) month period, (i) which constitute twenty percent (20%) or more of the value of the assets (including the Company's aircraft, whether owned or leased) of the Company, or (ii) which sale directly or indirectly results in a reduction of the Company's monthly block hours or available seat miles by twenty percent (20%) or more (any such transaction or series of transactions referred to herein as a "Triggering Event"), then:
  - a. In the event (i) another air carrier or (ii) an Entity that intends to operate, own or Control an air carrier following its acquisition of the Company's assets (any such Entity, a "Transferee") purchases or acquires any aircraft, international route or international route authority of the Company or an Affiliate as part of any transaction or series of transactions that constitutes a Triggering Event, Flight Attendants from the Hawaiian Airlines Flight Attendants' System Seniority List (the "Transferring Flight Attendants") shall be offered the opportunity to transfer to the Transferee. The number of transferring Flight Attendants shall be determined by calculating the average Flight Attendant staffing on a monthly basis, rounded to the nearest whole number, over the prior twelve (12) months attributable to (i) the international route or international route authority transferred to the Transferee in connection with the Triggering Event; or (ii) the aircraft or aircraft interest transferred to the Transferee in connection with the Triggering Event; and
  - b. The Transferring Flight Attendants shall be selected on the basis of seniority on the Hawaiian Airlines Flight Attendant System Seniority List from those Flight Attendants who are qualified on the aircraft transferred to the Transferee; provided that a Flight Attendant shall be deemed "qualified" to transfer if she/he is qualified (other than recurrent or substantially equivalent training, proficiency check, or training necessary to qualify Flight Attendants on the specific operations procedures of the Transferee) on the aircraft transferred to the Transferee in the case of an aircraft transfer or the aircraft the Transferee intends to operate on the acquired international route in the case of an international route or international route authority transfer; and

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

- c. The Company and its Affiliates shall require the Transferee(s), and the Transferee(s) shall agree: (i) to employ the Transferring Flight Attendants under rates of pay, rules and working conditions no less favorable than those [applicable to] the Transferee's Flight Attendants; and (ii) to integrate the Transferring Flight Attendants into the Transferee's Flight Attendant seniority list pursuant to Association Merger Policy if the Transferee's Flight Attendants are represented by the Association and otherwise pursuant to Sections 3 and 13 of the Allegheny-Mohawk Labor Protective Provisions. There shall be no requirement that the seniority integration of the Transferring Flight Attendants be completed simultaneous with the transfer of the international route, international route authority or aircraft and it is expressly agreed that such seniority integration may be completed after such transfer; and
  - d. Any Flight Attendant who transfers to the Transferee shall be required to resign from Hawaiian Airlines as a condition of the transfer.
2. The provisions of paragraph E. of this Section shall not apply to: (i) aircraft sale-leaseback for financing purposes; (ii) the transfer of international route(s), international route authority or aircraft caused by circumstances over which the Company has no control. The phrase "circumstances over which the Company has no control" means: (i) an act of nature; (ii) labor dispute within the Company; (iii) grounding of a substantial number of the Company's aircraft by government agency; (iv) reduction in flying operations because of a decrease in available fuel supply or other critical materials for the Company's operations; (v) war emergency; and (vi) involuntary revocation of the Company's operating certificate(s).
3. The rights and protections provided the Association and the Hawaiian Flight Attendants under paragraph E. of this Section are in addition to any other rights and protections contained in any other agreement involving the Association and the Hawaiian Flight Attendants.
4. The Company and its Affiliates shall not conclude or enter into any agreement for any international route, international route authority or aircraft transfer unless the Transferee(s) agrees in writing to be bound by the applicable terms of paragraph E. of this Section.
5. The Company and its Affiliates agree, and shall require the Transferee(s) to agree, to resolve all disputes concerning the interpretation or application of

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 1: RECOGNITION, SCOPE, AND JOB SECURITY**

paragraph E. of this Section through final and binding arbitration on an expedited basis directly before the AFA-Hawaiian System Board of Adjustment sitting with a neutral arbitrator pursuant to Section 1 and Section 24 of this Agreement, except that the arbitrator shall be selected from a panel of neutral referees provided by the National Mediation Board upon the request of any party. If the Association submits a grievance alleging a violation of paragraph E. of this Section, the challenged transaction will be held in abeyance pending the arbitrator's disposition of the Association's grievance.

**F. Change in Control**

1. In the event a "Change of Control" occurs and within two (2) years of the Change of Control the person(s) exercising such control (i) replaces a majority of the directors of the Company or of Hawaiian Holdings, Inc. ("Holdings"), excluding replacements as the result of death, disability or reaching of retirement age, or (ii) through making shareholder proposals or initiating proxy solicitations, directs Holdings' board and/or influences the operations of the Company (a "Change of Control Event"), then: (a) the Association shall have the right in its sole discretion to extend the duration of the Agreement for up to two (2) years from the date of the Change of Control Event; and (b) Holdings and the Company shall at Holdings' option either (i) issue to flight attendants common shares of Holdings having an aggregate market value of \$1,500,000 at the time of the Change of Control Event, or (ii) pay \$1,500,000 in cash. If Holdings elects to issue common stock it shall be issued within five (5) business days after the date of the Change of Control Event, and the number of shares to be issued shall be \$1,500,000 divided by the average closing price for the five (5) business days preceding the third business day after the date of Change of Control Event. If Holdings elects to issue cash, it shall do so no later than eight (8) business days following the date of the Change of Control Event. The stock or cash shall be allocated based on W-2 wages for the tax year immediately pre-ceding the issuance of the stock. A "Change of Control" occurs when a purchaser or a group of purchasers acting in concert (as defined in Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder), through a single transaction or a series of related transactions, (i) acquires more than 40% of the capital stock of Holdings or the Company on a fully diluted basis, or (ii) obtains the right to elect the majority of Holdings' directors.
  
2. An "Adverse Transaction" shall mean: (a) any changes made in operations within two (2) years after either the Effective Date of the Joint Plan or a Change of Control, that reduce the total number of block hours flown by the Company during any 12 month period by 15% or more compared to the prior 12 month period or that reduce the number of the Company's aircraft to fewer than

twenty (20) (an “Operational Reduction”); (b) a sale of all or substantially all of the equity securities or assets of the Company (a “Sale”); or (c) a merger of the Company with or into another entity, regardless of which entity is the surviving entity and which merger is used to implement an acquisition of the Company by another airline (a “Merger”). In the event that an “Adverse Transaction” occurs then, in addition to all other rights and remedies specified in the Agreement or otherwise available at law, the Association shall have the right in its sole discretion to (A) extend the duration of the Agreement for up to two (2) years past the Change of Control date, in the event of an Operational Reduction, or two (2) years past the Adverse Transaction date in the event of a Sale or Merger; and (B) obtain an agreement from the Company pursuant to which no active flight attendants (less the number of flight attendants on leave) who are on the seniority list on the date of the Adverse Transaction shall be furloughed from the date of the Adverse Transaction through the amendable date, as it may be extended hereunder, except for furloughs that occur in the ordinary course for reasons such as but not limited to seasonality and aircraft placed out of service except as a result of the Adverse Transaction. In addition, Holdings and the Company shall at Holdings' option either (i) issue to flight attendants common shares of Holdings having an aggregate market value of \$1,500,000 at the time of the Adverse Transaction, or (ii) pay \$1,500,000 in cash. If Holding elects to issue common stock it shall be issued within five (5) business days after the effective date of the Adverse Transaction, and the number of shares to be issued shall be \$1,500,000 divided by the average closing price for the five (5) business days preceding the third business day after the date the Adverse Transaction is publicly announced. If Holdings elects to issue cash, it shall do so no later than eight (8) business days following the effective date of the Adverse Transaction. The stock or cash shall be allocated based on W-2 wages for the tax year immediately preceding the issuance of the stock. In the event of a Merger, the furlough protection provided in (B) herein shall only be required of the Company until such time as the seniority lists and collective bargaining agreements of the merged companies are combined, and the Company hereby agrees to make such operational integration of the two carriers a condition of such Merger. The Company agrees that it shall provide the Association with sufficiently detailed information regarding a prospective Adverse Transaction on which to make the determination described herein, on or before the later of (x) 30 days prior to the effective date of the proposed Adverse Transaction, or (y) as soon as legally practicable based on advice of counsel to Holdings.

3. For purposes of this Section 1.F., any reference to the Company or Holdings shall be deemed to include any successor or parent entity of either the Company or Holdings; provided, however, in no event shall a single transfer or disposition of

FLIGHT ATTENDANT AGREEMENT**

assets or equity securities of the Company, Holdings or any successor or predecessor of either the Company or Holdings trigger both a Change of Control Event and an Adverse Transaction for purposes of this Section 1.F., whether or not coupled with a replacement of a majority of the directors of the Company or Holdings in connection with a Sale or Merger, as both are defined above.

**G. Bankruptcy**

In the event a petition under Chapters 7 or 11 of the Bankruptcy Code concerning the Company is filed, then the Company and its Affiliates shall not file any application seeking rejection or modification of any agreement between the Company and the Association pursuant to 11 U.S.C. §1113, including a request to implement interim changes in the Agreement pursuant to 11 U.S.C. §1113(e) before February 27, 2000.

No space available ticket will be issued when the pre-booked load factor is more than 90%. If unforeseen circumstances make use of a space available ticket unlikely, the Flight Attendant may upgrade her ticket to positive space and be reimbursed therefore.
  - 2. The Company shall, in addition to transportation provided in Subparagraph 1. above, bear the cost of all reasonable actual expenses of each Flight Attendant transferring from one domicile to another domicile, for hotel and meals to the extent such enroute expenses are supported by receipts.

**SECTION 7: HOURS OF SERVICE**

A. The flight time limitations provided for in this Agreement shall include all of the credited hours defined in Paragraph J. in Section 2.

**B. Monthly Maximum**

1. Bid Flight Attendants

a. Ninety (90) credited hours will constitute the monthly maximum for Flight Attendants. All Flight Attendants shall be scheduled or assigned in such manner as to afford them, in order of their seniority, an opportunity to be credited as close to the maximum as possible.

b. Flight Attendant Option To Extend Monthly Maximum (PBS)

(1) Notwithstanding the provisions of Paragraph B.1.a. above, a Flight Attendant shall have the option of extending her/his monthly maximum credited hours to one hundred (100) hours.

(2) The Company may designate any month as an "increased flying month" no more than six (6) months each calendar year in each domicile, provided there are no Flight Attendants on furlough prior to or as a result of an "increased flying month". During such month(s), the Company may raise the minimum bid amount in one hour increments to a maximum of seventy-nine (79) hours. During an "increased flying month", a Flight Attendant shall have the option of extending her/his monthly maximum to one hundred ten (110) credited hours. The Company may also elect to raise the maximum to one hundred ten (110) hours without adjusting the minimum but such adjustment will still count as one of the six (6) adjustments permitted in a year.

(3) The Company shall notify the MEC President in writing of its intention to designate a specific month as an "increased flying month" no later than the first of the month prior to said designated month. Once designated, an "increased flying month" may not revert to a one hundred (100) hour month except by mutual consent between the Company and the MEC President.

c. Flight Attendant Option to Exceed Monthly Maximums (Pick-Ups)

Any Flight Attendant may voluntarily exceed one hundred/one hundred ten (100/110) credited hours by picking up additional flying from Company Open Time and/or from another Flight Attendant. Such Flight Attendant shall be ineligible to receive the compensation provisions of Section 7.G. (double pay) for any hours over one hundred / one hundred ten (100/110) and she/he shall be required to maintain her/his minimum days off in accordance with

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

Section 7.H.1. Further, such Flight Attendant shall not be eligible for the trip(s) dropping provisions in Subsection 3 below, and will be expected to remain available to complete all such flying.

2. Reserve Flight Attendants

a. Eighty-five (85) credited hours will constitute the monthly maximum for Reserve Flight Attendants. All Reserve Flight Attendants shall be scheduled or assigned in such manner as to afford them, in order of their seniority, an opportunity to be credited as close to the maximum as possible, unless she/he has indicated otherwise in accordance with Section 8.C.2. (e.g.- “call me last”.)

b. Reserve Flight Attendant Option to Extend Monthly Maximum  
A Reserve Flight Attendant shall have the option of extending her/his monthly maximum credited hours to ninety-five (95)/ one hundred (100) hours on her/his Reserve Duty days.

c. Reserve Flight Attendant Option to Exceed Monthly Maximums  
Any Reserve Flight Attendant may voluntarily exceed eighty-five (85) or ninety-five (95)/one hundred (100) credited hours by picking up additional flying on her/his days off in accordance with Section 7.K.2.a.(5) and/or Section 8.B.1.b. Such Flight Attendant shall be ineligible for the compensation provisions of Section 7.G. (double pay) for any hours over ninety-five (95) and she/he shall be required to maintain her/his minimum days off in accordance with Section 8.F.1. Further, such Flight Attendant shall not be eligible for the trip(s) dropping provisions in Subsection 3 below, and will be expected to remain available to complete all such flying.

3. Projection Over Monthly Maximum

a. Bid Flight Attendant

(1) A Bid Flight Attendant, at her/his option, shall be removed from a trip(s) prior to the end of the month if her/his projected monthly time is over her/his applicable monthly maximum (90:00/100:00/110:00) credited hours.

(2) Crew Scheduling shall notify a Bid Flight Attendant whenever her/his total time (accumulated and projected) is projected over her/his allowable monthly maximum. Upon notification, the Flight Attendant shall have the option: (1) to designate the trip(s) she/he would like to be removed from and fly a trip with less time. Such trip shall be scheduled

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

only during the same time period of the dropped trip or (2) to fly the original trip.

(3) If, after the departure of her/his last trip sequence of the month, the time credited to a Flight Attendant due to unforeseen circumstances is more than ninety (90) hours and she/he has not chosen to exceed her/his ninety (90) hour maximum for that month, she/he shall be paid for the excess as provided in Paragraph 7.G. (double pay).

(4)

(a) Except as provided in (b) below, a Flight Attendant who has exercised the option in PBS to exceed ninety (90) hours will not be required to take her/his last trip(s) sequence of the month if she/he is projected over one hundred (100) credited hours in any month that the Company has not designated as an "increased flying month", or one hundred ten (110) credited hours in a designated "increased flying month". Such Flight Attendant shall have the option of flying out her/his trip sequence, with the applicable compensation provisions of Section 7.G. (double pay), or being removed from the trip sequence.

(b) If such Flight Attendant's line exceeds ninety-seven (97) scheduled credit hours in any month that the Company has not designated as an "increased flying month," or one hundred seven (107) scheduled credit hours in a designated "increased flying month," she/he shall be required to absorb the first three (3) hours of "line growth" before she/he will be entitled to exercise the option of being removed from a trip(s). All hours in excess of one hundred / one hundred ten (100/110) shall be subject to the compensation provisions of Section 7.G. (double pay).

(c) If, after the departure of her/his last trip sequence of the month, the time credited to the Flight Attendant due to unforeseen circumstances is more than the applicable maximums and she/he has not chosen to exceed her/his maximums, she/he shall receive one (1) hour pay but not credit for each hour or fraction thereof, in addition to all other compensation, for credited hours in excess of one hundred / one hundred ten (100/110) hours.

(d) Notwithstanding the above, if a Flight Attendant has exercised the option to exceed the monthly maximum(s) by picking up a trip(s) from open time and/or another Flight Attendant, she/he shall be required

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

to complete her/his last trip of the month regardless of projection and will not be eligible for the compensation provisions of Section 7.G. (double pay).

**b. Reserve Flight Attendants**

- (1) Eighty-five (85) credited hours will constitute the monthly maximum for a Reserve on her/his Reserve duty days. A Reserve Flight Attendant must notify Crew Scheduling at any time during the month, but not later than 0900 the day prior to her/his next reserve duty day, if she/he wishes to maintain the eighty-five (85) hour maximum.
- (2) A Reserve Flight Attendant who does not notify Crew Scheduling of her/his desire to maintain the maximum will be deemed to have elected to extend her/his maximum beyond eighty-five (85) hours, and may be scheduled above eighty-five (85) hours until she/he notifies Crew Scheduling that she/he is calling out of time. Such notification must be made no later than 0900 the day prior to her/his next scheduled reserve duty day.
- (3) Time picked up from another Flight Attendant on a Reserve's red-circle days off in accordance with Section 8-Reserve, shall not be included when determining the maximums set forth in (1) and (2) above.

This limitation will not apply to current frequencies of service (regular and seasonal) to ANC, PPT, PPG, Flights 9/4 (when scheduled as a turn grouping), or irregular operations. (b) With respect to this provision, "back side of the clock" flying is flying with a scheduled arrival or departure time between 2300 and 0600, based on local time at the station of first departure.

d. Augmented Provisions

(1) The standard Flight Attendant crew must be augmented if the total scheduled flight time exceeds eight (8) hours domestic, or twelve (12) hours international in a single on-duty period, or if the scheduled on-duty time exceeds fourteen (14) on-duty hours, regardless of the flight time.

(2) In order for a crew to be augmented, it shall be scheduled and printed on the Daily Flight Schedule.

(3) If a trip scheduled with an augmented crew departs understaffed, such crew shall be considered a standard crew and must be rescheduled to be on duty no more than fourteen (14) hours. All provisions of the Agreement applicable to standard crews shall apply.

(4) Unless passenger seats are provided per Paragraph D.2.f.(3) of this Section, a flight shall not be considered assigned with an augmented crew for purpose of duty time maximum under Paragraph C.2.b. of this Section.

(5) When serving as a member of an augmented crew, a Flight Attendant shall not be scheduled, rescheduled or reassigned to be on duty, nor required to remain on duty in excess of the following limitations:

Such increased staffing will be filled first by open time, and then by reserves before offering recall. If revenue passenger load factor for any ER segment grows to 90% or more after such time and no additional Flight Attendant is added, the Flight Attendants working the grouping will receive understaffing pay for such segment(s).

- e. It is further understood and agreed that staffing for all future 767-300s (non ER flying) will be based on passenger seat to Flight Attendant ratio for two classes of service as follows:

1st Class	Will not exceed 9 passenger seats per FA
Coach	Will not exceed 41 passenger seats per FA

3. **Flight Time Limitations**

- a. **Interisland** - A Flight Attendant shall not fly in excess of thirty (30) hours during any seven (7) consecutive days. However, at her/his option, a Flight Attendant may fly up to thirty-five (35) hours during any seven (7) consecutive days either during the monthly bidding process or during the month by picking up and/or trading.
- b. **International** - When flying International, a Flight Attendant may not be scheduled or rescheduled to fly a total of more than twelve (12) hours in any twenty-four (24) hours except where flying in accordance with “augmented crew” provisions. When flying within the contiguous forty-eight (48) United States, a Flight Attendant may not be scheduled or rescheduled to fly more than eight (8) hours in any twenty-four (24) hours, except when flying in accordance with “augmented crew” provisions.

- 4. The Crew Scheduling office will notify a Flight Attendant no later than twelve (1200) noon prior to the day she/he is assigned a freighter.

D. **Legal Rest Minimums**

1. **Interisland**

- a. Each Flight Attendant shall have a minimum rest period free from all duty at her/his domicile, of not less than twelve (12) consecutive hours immediately prior to starting any duty with the Company.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

- b. At stations other than her/his domicile, each Flight Attendant shall have a minimum rest period of ten (10) consecutive hours immediately prior to starting any other duty with the Company.
- c. A Flight Attendant shall not be required to fly over seven (7) hours in any twenty-four (24) consecutive hours. If the Flight Attendant exceeds seven (7) hours flight time, she/he shall receive two (2) hours rest for every one (1) hour, or portion thereof, she/he flew, and she/he shall receive pay and credit for what she/he normally would have earned for that day.
- d. A Flight Attendant shall not fly in excess of thirty (30) hours during any seven (7) consecutive days. A Flight Attendant shall be given at least one (1) calendar day free of all duty in any seven (7) consecutive days. A Flight Attendant may, at her/his option, waive the calendar-day off requirement after the month begins.

2. International

- a.
  - (1) A Flight Attendant at her/his domicile shall have a minimum rest period of twelve (12) hours free of all duty immediately prior to starting any duty with the Company. Domicile rest following flights scheduled for flight time of eight (8) hours or more will be as follows:

ER Flight Time	Minimum Domicile Rest
8:00 to 9:59	24:00
10:00 or more	36:00

- (2) The minimum domicile rest provisions following Extended Range flights specified in 7.D.2.a.(1.) above may, in actual operation be reduced by up to one and one-half (1.5) hours for bid flight attendants who have scheduled back-to-back Extended Range pairings with less than the specified minimum rest plus one (1) additional hour in domicile. If, in actual operation, the required rest is reduced by more than one and one-half (1.5) hours, the effected flight attendant(s) will be removed from the second pairing and will be paid and credited “what she/he normally would have earned”, as defined in Section 2.AY. of the Agreement.

- b.
  - (1) At stations other than the Flight Attendant’s domicile, each Flight Attendant shall have a minimum rest period equal to two (2) times her/his preceding duty period immediately prior to starting any other

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

duty with the Company. The Company may, at its discretion, limit the rest period in the hotel to nine (9) hours for a standard crew or ten (10) hours for an augmented crew.

(2)

(a) For extended range groupings, at stations other than the Flight Attendant's domicile, each Flight Attendant shall have minimum rest periods as follows:

ER Flight Time	Minimum Scheduled RON Rest*
8:00 to 9:59	18:00
10:00 to 11:59	22:00
12:00 or more	28:00

\* In actual operation, any of these rest periods may be reduced up to two (2) hours.

(b) As an exception to the provisions of the paragraph above, in ER destinations where the transit time to/from the downtown hotel combined with the 22-hour rest requirement would make it impossible for the crew to work the return flight immediately following the rest period, the trip may be scheduled with a 20-hour rest requirement which can, in actual operation, be reduced to 18 hours. At its option, the Association may approve RON accommodations closer to the airport rather than having the trip scheduled with a 20-hour rest. The Association will notify the Company not less than sixty (60) days in advance should it desire to change to or from the airport/downtown location.

(3) Rest period is defined as time in the hotel (door to door), uninterrupted by the Company. However, as an exception to the no interruption rule, when a Flight Attendant is on a hotel rest period and their outbound trip is delayed, the Flight Attendant may be contacted by Crew Scheduling only one (1) time and advised of the new departure time. This contact will be made no earlier than two hours and fifteen minutes (2:15) prior to the published departure time.

(18) Crew rest facilities, whenever present, shall be accessible to Flight Attendants working the flight. Additionally, deadheading Flight Attendants may access the crew rest facilities so long as doing so does not interfere with access by working Flight Attendants.

(19) The Company and Association will meet to work out the specifics for crew rest accommodations for new aircraft.

**E. Removal of a Flight Attendant from a Delayed Trip**

1. Whenever possible, a Flight Attendant, at her/his domicile, will be removed from any delayed trip that would cause the Flight Attendant to be removed from another trip on her/his bid run. Such removal shall be with pay and credit, including First Flight Attendant pay. The Flight Attendant will be removed from the trips as soon as possible. The Flight Attendant may be contacted by crew scheduling only one time and advised of the new departure time. This contact will be made at the following times plus or minus fifteen (15) minutes:
  - a. International - three (3) hours prior to published scheduled departure time.
  - b. Interisland - two (2) hours prior to published scheduled departure time.
  - c. In an emergency situation the Company may contact a Flight Attendant at a time other than those specified in this paragraph.
2. A Flight Attendant, at her/his domicile, who has reported to the airport for her/his trip will be removed from the trip if the trip is, or will be, delayed more than eight (8) hours from its originally scheduled departure time. However, if the Flight Attendant requests and uses a suitable single room hotel accommodation or single day hotel room located at the airport, at Company expense, during the delay, such Flight Attendant will be removed from the trip if the trip is, or will be, delayed more than ten (10) hours from its originally scheduled departure time. The Flight Attendant will be notified of the removal as soon as possible. Any other notification must be made within two (2) hours of the rescheduled departure time, plus or minus fifteen (15) minutes.
3. A Flight Attendant, at her/his domicile, who has not reported to the airport for her/his trip will be removed from the delayed trip depending on the newly

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

projected duty time of the trip in accordance with the following schedule. The Flight Attendant will be removed from the trip as soon as possible; however, such notification must be in accordance with the time parameters set forth in Paragraph a. above. The schedule set forth below is based on the originally scheduled departure time.

Duty Time	Removal From Trip
Less than 8:00	12:00 delay
8:00 to 10:00	10:00 delay
more than 10:00	8:00 delay

4. Such delayed Flight Attendant, at her/his domicile, may only be used to fly her/his original delayed trip. If such trip subsequently cancels, the Flight Attendant will be subject to reassignment in accordance with Section 7.J.2.a. and Section 3.S.
5. When a Flight Attendant is removed from a trip as provided in Paragraph E.2. and 3. above, Crew Scheduling may offer the same trip to the Flight Attendants assigned to that trip in order of seniority, except that a Reserve Flight Attendant shall not be eligible for the trip if it conflicts with a red circle day off. A Flight Attendant who accepts the trip shall be paid and credited for the round trip at two times (2 X) the scheduled or actual block hours, whichever is greater. This pay and credit shall not be in addition to E.1. of this Section.
6. Flight Attendants who have accepted the reassigned (delayed) trip as provided in E.5. above, shall not be entitled to DIRTDC compensation unless the delayed trip returns to domicile more than twelve (12) hours later than the rescheduled arrival.

**F. Exceeding Duty Periods**

**1. Interisland**

- a. The following provisions shall apply to a Flight Attendant who begins a duty period between 0500 and 2159:
  - (1) If it is known prior to departing Honolulu that by taking her/his scheduled flights a Flight Attendant's actual on duty hours will exceed twelve (12) hours, she/he may be removed from her/his flights provided another Reserve Flight Attendant is available to relieve her/his. The removed Flight Attendant shall be paid and credited as provided for in Paragraph H., Section 3.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

(2) A Flight Attendant shall not be required to remain on duty for more than fourteen (14) actual hours.

- b. If a Flight Attendant exceeds fourteen (14) actual hours on duty, in addition to compensation provided for in Paragraph c. below, she/he shall receive the next day free from all duty and she/he shall receive pay and credit for what she/he normally would have earned that day.
- c. Whenever a Flight Attendant exceeds twelve (12) actual hours on duty, she/he shall be paid one (1) hour flight pay, but not credit, for every hour, or fraction thereof in excess of twelve (12) actual hours, in addition to all other compensation to which she/he is entitled.

2. International

a. Exceeding Scheduled Duty Time Maximum

(1) A Flight Attendant may at her/his option, exceed the hours stipulated in Paragraph C.2. above, provided she/he is 1) departing a station other than her/his domicile, and 2) she/he has not exceeded sixteen (16) hours on duty at the time of the departure from the blocks.

(2) Whenever a Flight Attendant on a flight exceeds fourteen (14) hours on duty under the provisions of this Section, she/he shall be paid one (1) hour pay but not credit, for every hour or fraction thereof, in excess of fourteen (14) hours on duty time, in addition to all other compensation to which she/he is entitled.

b. Exceeding Maximum Actual On-Duty Limitations At Company Request

(1) When it becomes known that a flight attendant's scheduled duty period will be extended to within one (1) hour of her/his maximum actual on-duty period (See chart below), crew scheduling/authorized designee will communicate with the flight attendant(s) to determine if the crew is willing to continue should the delay project the flight attendant(s) beyond her/his maximum actual duty period. This communication, whether initiated by the flight attendant(s) or the company, is simply to determine whether or not the flight attendant(s) is willing to extend her/his duty period beyond the maximum. If the flight attendant(s) does not wish to exceed the applicable maximum actual on-duty limitations, the company will make the arrangements to relieve and/or replace the flight attendant should the projected duty period exceed the applicable actual on-duty maximum. If after deciding to exceed her/his maximum duty period, the rescheduled departure time of the flight upon which the

FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

flight attendant based her/his decision changes by two (2) hours or more (e.g. “creeping delay”) and the flight attendant wishes not to exceed her/his maximum, she/he must advise crew scheduling/authorized designee.

<b>Type of Pairing/Crew</b>	<b>Scheduled Maximum</b>	<b>Actual On-Duty Maximum</b>	<b>Decision point for exceeding</b>
Standard Crew	14	16	Projected Duty Period of 15:01 or more.
Augmented +1	16	18	Projected Duty Period of 17:01 or more.
Augmented +2	17	19	Projected Duty Period of 18:01 or more.

- (2) Flight Attendant cannot be required to exceed the maximum actual on-duty limitations stipulated in Paragraph 7.C.2. above.
- (3) At Company request a Flight Attendant may concur to extend her/his actual on-duty limitations to a maximum of twenty (20) hours; for augmented crews, the actual on-duty limitations may be exceeded by up to two (2) hours.
- (4) In addition to all other compensation, including the compensation addressed in Paragraph 7.F.2.a., a Flight Attendant who concurs to extend her/his maximum actual on-duty limitations in accordance with Paragraphs 7.F.2.b.(3) shall also be paid a premium of three (3) times her/his hourly rate for each duty hour, or fraction thereof, in excess of her/ his maximum actual on-duty limitations.
- (5) A Flight Attendant who is projected over her/his maximum on-duty period and concurs with the Company's request to extend her/his duty time maximums shall be guaranteed a minimum of one (1) hour pay at three (3) times her/his hourly rate. There is no requirement that the Flight Attendant be onboard the aircraft, be with passengers, or that the flight depart in order to be eligible for payment under this provision.
- (6) A Flight Attendant who concurs with the Company's request to extend her/his duty time maximums shall be scheduled for a minimum of eighteen (18) hours rest following the extended duty period. If such rest results in a conflict with another scheduled trip(s), the Flight Attendant

shall be pay protected for trips missed, including First Flight Attendant pay.

- (7) The Company is prohibited from negotiating with Flight Attendants for any other compensation or incentive to obtain a Flight Attendant's concurrence to extend her/his duty time maximums.

c. **Determining Amount of Pay Due For Exceeding Maximum Actual On-Duty Limitations**

A flight attendant's projected on-duty period is calculated by using the rescheduled departure time and adding the scheduled bid packet block time for the remaining segment(s) plus the applicable check-out/debrief time (:15 or :30) and then adding that to the original report time. If, at the time of actual departure, a flight attendant's projected actual duty period:

- (1) is within thirty (30) minutes of her/his applicable maximum, and actually exceeds the applicable maximum on-duty hours, she/he will receive three (3) times her/his hourly rate for each duty hour, or fraction thereof, in excess of her/his maximum actual on-duty limitation.
- (2) does not exceed her/his maximum actual on-duty limitation, she/he will receive only the compensation she/he would normally receive.
- (3) exceeds her/his applicable maximum actual on-duty period, and in actual operation her/his actual on duty period does not exceed the applicable maximum on-duty hours, she/he will receive one (1) hour of pay at three (3) times her/his hourly rate.
- (4) exceeds her/his applicable maximum actual on-duty period, and in actual operation her/his actual on duty period exceeds the applicable maximum on-duty hours, she/he will receive three (3) times her/his hourly rate for each duty hour, or fraction thereof, in excess of her/his maximum actual on-duty limitation.
- (5) For the purposes of determining whether or not the Exceeding Maximum Duty pay is applicable, the actual arrival time plus the applicable contractual check-out period, excluding any ground holding time, shall be used. However, if it is determined that the Exceeding Maximum Duty pay is applicable, the calculation of the number of hours of pay due will include any ground holding time.

**SECTION 7: HOURS OF SERVICE**

- (d) A deadhead segment shall not be converted to a working segment.
- (3) Such reassignments and/or extensions for Bid Flight Attendants must be made prior to 1700 hours of the day preceding the workday and must be printed on the Daily Flight Schedule.
- (4) Crew Identity
  - (a) Bid Flight Attendants shall be reassigned or scheduled in a manner which maintains the crew as a single identity. However, in the case of an equipment substitution where the substituted aircraft requires a smaller crew than the original aircraft, only the portion of the original crew necessary to staff the substituted aircraft must be assigned in accordance with Section 3.D. After the crew is assigned to the substituted aircraft, the remainder of the original crew may not be reassigned unless assigned as a single identity to a second aircraft scheduled to fly the original route in accordance with the provisions of this Paragraph J.2.a. The Flight Attendant's afforded this protection shall only be those who were specifically awarded the bid run flight grouping.
  - (b) The Company will make every effort to maintain crew identity when scheduling Bid Flight Attendants for make-up as provided in Paragraph J.2.a.(2) of this Section. In the event this is not possible, make-up shall be offered in seniority order and assigned in inverse seniority order.
- b. During The Work Day
  - (1) The schedule of any Flight Attendant may be changed to protect the Daily Flight Schedule when such changes are required because of schedule interruptions caused by weather, mechanicals or other factors beyond the control of the Company. Schedule changes in these cases are limited only by the flight time and duty time limitations in this Section and Section 3.M. None of these changes will be solely for Company convenience. Notwithstanding the foregoing, the schedule of a Reserve Flight Attendant may be altered and/or added to for any reason up to the flight time/duty time limitations of this Section and Section 3.M. of this Agreement. However, a Flight Attendant shall be released for the day if there is no addition to her/his schedule assigned within fifteen (15) minutes of the block-in of her/his last flight. Such assignment may have a departure time more than fifteen (15) minutes after the block-in of her/his last flight.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

- (2) The Company shall maintain crew identity unless all Reserve, Airport Reserve and Standby Reserve Flight Attendants have been utilized in which case the assignment of flights shall be offered to Bid Flight Attendants in order of seniority. It is further understood that a Bid flight attendant shall be released for the day, if there is no addition to her/his schedule assigned within fifteen (15) minutes of the block-in of her/his last flight. Such assignment may have a departure time more than fifteen (15) minutes after the block-in of her/his last flight.
- c. In all cases, it is understood and agreed that when a Bid Flight Attendant is in position to fly any portion of her/his original trip(s) which operates, she/he will fly that original routing, unless otherwise provided under Section 3.D. or in Paragraph d. below.
- d. Crew Reassignment at a Non-Domicile Location
- (1) A Flight Attendant crew may be reassigned at a non-domicile location provided their originally scheduled flight(s) is canceled or the crew is illegal to work their originally scheduled flight(s), and another Flight Attendant crew is either illegal or out of position to work their scheduled flight(s) from the same non-domicile location.
- (2) If a Flight Attendant crew can be reassigned to work another flight(s) at a non-domicile location in accordance with Paragraph (1) above, the following shall apply:
- (a) The reassigned flight(s) must be in the same direction as the Flight Attendant crew's originally scheduled flight(s) or may be direct to the Flight Attendant crew's domicile, and
- (b) The reassigned flight(s) must contain the same or fewer working segments as the originally scheduled trip(s), and
- (c) The reassigned flight(s) must return the Flight Attendant crew to their domicile no later than twenty-four (24) hours after their originally scheduled return to domicile.
- (3) In addition to all other applicable compensation, a Flight Attendant crew who receives a non-domicile reassignment shall be paid and credited for both the reassigned flight(s) and their original grouping. However, Section 3, Paragraph R.3.a. (Duty Extension) shall not apply.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

- (4) If working a non-domicile reassignment causes a Flight Attendant to fall below her/his minimum number of days off, the minimum days off will be restored and she/he shall be paid and credited with the published time of the grouping(s) she/he is removed from on the day(s) off returned. For the purpose of this Paragraph, if the Flight Attendant has voluntarily reduced her/his minimum days off in accordance with Section 7, Paragraph H., her/his minimum days off will be restored to that reduced number.
3. Notwithstanding J.1. and 2. above, the Flight Attendant has the option to make up missed/canceled trips in either International or Interisland Flying.

However, it is not the intent of this provision to dispatch a flight short staffed if there are reserves available.
  - (2) Any ER flight that has, in actual operation, a load factor of more than 75% (including non-revenue passengers) and a reduced crew complement will be paid understaffing.

**HAWAIIAN AIRLINES

Such increased staffing will be filled first by open time, and then by reserves before offering recall.

- 3. Notwithstanding K.1. and 2. above, the Flight Attendant has the option to make up missed/canceled trips in either International or Interisland Flying.

If a Flight Attendant reports for duty and is released and is later called for duty with less time off than the rest periods provided for in this Section, the total time from her/his first reporting for duty to her/his release from all duty at the completion of the day's duty period shall be considered on-duty time as provided in Paragraph F. of this Section.

2. International

In the event a full-time Flight Attendant desires to work as a part-time Flight Attendant she/he will be placed in this capacity not more than twice in any calendar year as long as there are no more than five (5) Flight Attendants on part-time status, and provided that such assignment does not require the Company to hire an additional Flight Attendant. A Flight Attendant desiring part-time status will give an approximate time period in which she/he desires to remain on part-time status. This paragraph will apply only to full-time Flight Attendants on the Flight Attendant Seniority List as of September 1, 1977.

6. Nothing herein shall preclude any part-time Flight Attendant from exercising her/his seniority to fill a permanent vacancy at any domicile as provided in Section 14.
- T. A Flight Attendant shall not be scheduled for more than ten (10), nor rescheduled or required to make more than eleven (11) landings during any duty period.

**U. Interisland Meal Break**

1. When a Flight Attendant is scheduled to be on duty in excess of eleven (11) hours, her/his flight groupings shall be arranged in such manner so as to provide a minimum of one (1) hour meal break between the end of the third hour (180 minutes) and the end of the sixth hour (360 minutes) of duty and where meal (restaurant) facilities are available. It is further understood that if such meal break becomes less than forty-five (45) minutes, an adequate box lunch will be provided by the Company at the station where the meal break was scheduled.

However, it is understood that the Airport Reserve Flight Attendant will be utilized where available to relieve the incoming crew of a flight if the outgoing crew is on their meal break. Further, it is understood that the outgoing crew will board the aircraft no later than ten (10) minutes prior to departure.

2. International

**HAWAIIAN AIRLINES

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 7: HOURS OF SERVICE**

during the month in which the time is lost. The Company may schedule the Flight Attendant for make-up trips only during the same period of the dropped trip; however, if the time is not available her/his bid line value shall not be affected. A Bid Flight Attendant making up time may fly open trips subject to the following provisions:

- a. She/he must be legal to take the trip in accordance with the limitations specified in this Agreement.
  - b. She/he must be available to the extent that Crew Scheduling can contact her/his sufficiently in advance of the trip. It shall be the responsibility of the Flight Attendant to contact Crew Scheduling between 1600-2100 hours (Local Domicile Time), on the day preceding a make-up day to verify her/his flight schedule.
  - c. The operation of the trip must not interfere with her/his regular schedule or cause the displacement of any other Flight Attendant from her/his regular schedule after posting of the Daily Flight Schedule. A Bid Flight Attendant who is eligible to fly an open trip under these provisions shall, in order of seniority, be given preference over all Reserve Flight Attendants.
- Y. Bid Flight Attendants are not required to check out with Crew Scheduling at the end of their duty period.

**Z. Non-Published International Charter Flights**

As soon as a non-published charter is confirmed and assigned to a domicile, Crew Scheduling shall notify Flight Attendants in the domicile in order of seniority. The Flight Attendant shall be given all pertinent information: e.g. destinations, dates, departure and arrival times, layover information, etc.

Category I – A Charter offered to Flight Attendants seven (7) or more days prior to the date of departure is a Category I charter. Flight Attendants shall have until 0900 Local Domicile Time (LDT) two (2) days prior to departure to accept the charter assignment. It will be assumed that Flight Attendants not responding by

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

the deadline are not interested in accepting the assignment, and the trip will be assigned to those who did respond, in order of seniority.

Category II – A Charter offered to Flight Attendants less than seven (7) or more days prior to the date of departure, but prior to 0900 LDT of the day prior to departure is a Category II charter. Flight Attendants shall have until 0900 (LDT) of the day prior to departure to accept the charter assignment. It will be assumed that Flight Attendants not responding by the deadline are not interested in accepting the assignment, and the trip will be assigned to those who did respond, in order of seniority.

Category III – A charter offered to Flight Attendants after 0900 LDT the day prior to departure is a Category III charter. The charter shall be offered to Flight Attendants on the charter list in seniority order and assigned to those who respond first.

3. In the event there are insufficient Flight Attendants who accept the charter assignment, open flying procedures will be implemented.
4. In all cases, it is understood that a Bid Flight Attendant may, at her/his option, accept the charter either as an additional flight or as a trade/exchange for one or more of her/his scheduled flight(s), and shall notify Crew Scheduling of her/his choice. A Bid Flight Attendant who has traded her/his bid flight(s) for a charter shall not have her/his bid run guarantee (line value protection) adjusted if the time difference between the charter flight and her traded/exchanged flight(s) is one (1) hour or less. In any event, if a Flight Attendant's total pay and credit at the end of the month is within one (1) hour of her/his published bid time, there shall be no adjustment to her/his bid run guarantee (line value protection). It is further understood that Flight Attendants who have traded/exchanged for a charter(s) shall receive no less than their seventy-five (75) hour monthly guarantee.

**SECTION 7: HOURS OF SERVICE**

4. Interisland segments flown as part of international groupings will be staffed with a minimum of six (6) flight attendants.
5. Only reserves on the international grouping or standby or airport reserves may be used to cover an equipment substitution on such interisland segments.
6. Total interisland usage can be no greater than one (1) aircraft line of flying.
7. Flight Attendants with cancelled or missed interisland segments under this provision will not be subject to reassignment or make-up.

A Reserve, when flying in either operation, will follow the respective rules and pay for that operation with the following exceptions:

  - b. The thirty (30) hours duty limitation during any seven (7) consecutive days (Section 7.C.3.a.) will not apply and Reserves shall not be scheduled to fly in excess of thirty-five (35) hours during any seven (7) consecutive days.

2. "Airport Reserve" means a Reserve Flight Attendant who is assigned to duty at the airport without a specific flight assignment for the purpose of covering an International grouping in order to prevent a delay. A Reserve Flight Attendant may voluntarily exceed eighty-five (85) or ninety-five (95) credited hours by picking up additional flying from another Flight Attendant or Open Time on a red circle day(s) off. Such flying shall be paid and credited over and above the greater of her/his monthly guarantee or her/his monthly credited hours. If the red circle day off is preceded by a day of Reserve duty, the Reserve Flight Attendant shall not be permitted to pick up a trip that reports prior to 1200. However, if the red circle day off is preceded by another day off (red circle or non-red circle), the Reserve Flight Attendant shall be permitted to pick up any grouping which does not conflict with her/his next scheduled day of Reserve availability (a day of Reserve availability begins at 0001 LDT). If picking up a grouping causes the Reserve to be scheduled for more than six (6) consecutive days of work, she/he will be deemed to have waived her/his entitlement to one (1) calendar day off in that seven (7) or more consecutive day period. Such Flight Attendant shall be ineligible for the compensation provisions of Section 7.G. (double pay) for any hours over ninety-five (95) and she/he shall be required to maintain her/his minimum days off in accordance with Section 7.H.1. Further, such Flight Attendant shall not be eligible for the trip(s) dropping provisions in Section 7.B.3., and will be expected to remain available to complete all such flying.
  2. On Reserve duty days, Reserve Flight Attendants shall be scheduled or assigned in such a manner as to afford them, in order of seniority, an opportunity to be credited as close to the maximum as possible, unless she/he has indicated otherwise in accordance with Section 8.C.2. (e.g.- "call me last"). Upon reaching their monthly maximum, Reserves are released from further Reserve duty for the month, unless they are willing to voluntarily exceed the maximum and the Company determines they are needed to fly more time. Reserves who desire not to exceed 85 hours, or who wish to call out of time after exceeding 85 hours, must notify Crew Scheduling no later than 0900 the day prior to her/his duty day. Such notification may be by phone call or fax. However, fax notification must be followed-up by a phone call.
- C. **Assigning of Open Flying to Reserve Flight Attendants**
1. Reserve Flight Attendants will be assigned to open flying on a daily basis in order of seniority and according to their individual preferences as provided in Section 12.N.2.e.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 8: RESERVES**

2. Reserves may specify the following preferences: AM/PM, Standby, Standby Release, Interisland, International, Airport Reserve, specific groupings, call me first and call me last. These preferences will be honored, when possible, according to seniority.

**D. Reserve Duty At The Airport**

1. Interisland Airport Reserve Desk Flight Attendant
  - a. The Company will have Flight Attendants on Reserve duty at the airport to cover vacated trips and disruptions in the flight schedule. An Interisland Airport Reserve Desk Flight Attendant will not be utilized unless the Crew Scheduling Office is unable to assign the vacated trips to a Standby Reserve Flight Attendant in time to make the flight, except when the trip is vacated for a drug/alcohol test. The names of Interisland Airport Reserve Desk Flight Attendants and the periods of their Reserve duty will be printed on the Daily Flight Schedule and shall cover a whole flight day schedule.
  - b. Interisland Airport Reserve Desk Flight Attendants will be assigned flights as provided in Paragraph 7.K.1.e. in order of inverse seniority.
  - c. There shall be a minimum of two (2) Interisland Airport Reserve Desk groupings scheduled per day and a minimum of two (2) Flight Attendants scheduled for each grouping. Interisland Airport Reserve Desk groupings and the Flight Attendants assigned to such groupings shall be printed on the Daily Flight Schedule. Interisland Airport Reserve Desk duty shall not be assigned to any Flight Attendant printed on the Daily Flight Schedule. This shall not preclude Crew Scheduling from assigning a Standby Flight Attendant to a vacated grouping of Interisland Airport Reserve Desk duty.
  - d. Flight Attendants who have been assigned Interisland Airport Reserve Desk will not be used to cover International flying.
2. Airport Reserve Flight Attendants
  - a. The Company may schedule Reserve Flight Attendants to Airport Reserve duty. Such duty shall be scheduled for four (4) hours from report to release. The duty periods, along with the names of the Reserves assigned to such duty shall be printed on the Daily Flight Schedule. Nothing herein shall restrict Crew Scheduling's ability to replace an Airport Reserve with a Standby Reserve.
  - b. Duty time for an Airport Reserve shall begin upon scheduled report time at the airport and will continue until the scheduled report time of an assigned

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 8: RESERVES**

grouping/trip, the actual time of assignment to a delayed grouping/trip, or until released for the applicable domicile rest provided in Section 7.

However, if an Airport Reserve is assigned a grouping that is scheduled to report prior to her initial report time at the airport, she shall begin accruing duty time as if she reported for that grouping. The combined duty time for Airport Reserve and an assigned trip shall not exceed fourteen (14) hours (twelve (12) hours if assigned in the interisland operation).

- c. If there are two (2) or more Airport Reserves on duty, and a flight assignment becomes available, it shall be assigned as follows:
    - (1) Flight Attendant is legal for the assignment.
    - (2) All legal Flight Attendants will be offered the assignment in seniority order, and assigned in inverse seniority order.
    - (3) If there are multiple Airport Reserve periods (e.g. 1000, 1100, 1300) then the assignments will be done on a “first in, first out” basis, to the Airport Reserves who are legal for the assignment.
  - d. If an Airport Reserve is assigned a grouping, such grouping must be scheduled to depart no later than six (6) hours from the commencement of the Airport Reserve duty.
  - e. An Airport Reserve Flight Attendant will not be utilized unless the Crew Scheduling Office is unable to assign the vacated grouping to a Standby Reserve Flight Attendant in time to make the flight.
  - f. Airport Reserves may be assigned to an inter-island flight only after the Interisland Airport Reserves have been assigned. Once assigned to an operation the Airport Reserve must finish the day in that operation. The only exception to this rule is the Airport Reserve may be given a boarding assignment in either operation.
3. Airport Reserve Coverage for Augmented Flights  
The Company, at its option, shall schedule no more than one (1) Reserve Flight Attendant to Reserve duty at the airport to cover an augmented flight. The Reserve Flight Attendant, her/his period of Airport Reserve duty and the flight she/he is covering shall be printed on the Daily Schedule. An Airport Reserve Flight Attendant's duty period shall be four (4) hours, beginning at the time the

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 8: RESERVES**

augmented crew is scheduled to check in. Such Reserve Flight Attendant may be placed only on the augmented flight if necessary to keep the flight augmented.

**E. Standby Reserve Flight Attendants**

1. A Standby Reserve Flight Attendant shall be on call for flight or Airport Reserve duty only during her/his scheduled Standby coverage period and shall be prepared to report for such duty within a reasonable time not to exceed three (3) hours (two (2) hours Honolulu domicile for interisland groupings only) after receiving notice for such duty. A Standby Reserve Flight Attendant shall be reasonably available to be called for an assignment during her/his scheduled Standby period but shall not be required to Standby at home during these hours providing the Flight Attendant keeps Crew Scheduling advised of her/his contact number or whereabouts.
2. A Standby Reserve Flight Attendant will not be assigned to a duty period unless such duty period commences within two (2) hours after the end of the Standby period. Once a Standby Reserve Flight Attendant is assigned to a duty period, she/he is released from further Standby duty that day. However, if the company is able to make positive contact with the flight attendant (not a message or the like), the Company may change her/his assignment provided that the new assignment is within the same operation (Interisland or International) as the original assignment.
3. Should a Standby Reserve Flight Attendant not be at her/his listed telephone number, she/he will keep the Crew Scheduling Office advised of her/his contact number and be prepared to report for flight duty as provided in Paragraph E.1. above.
4. Standby Duty Limits
  - a. A Reserve's Standby period will not exceed a maximum of twelve (12) hours. If a Flight Attendant is not assigned to a duty period during her/his Standby period, she/he will be free from all duty for a period of twelve (12) hours.
5. The Company shall ensure adequate Standby coverage to protect the integrity of the operation.
6. Order of Standby Callout Assignments

The following factors will be considered when assigning Standby Reserve Flight Attendants to groupings: preferences in order of seniority (AM, PM, call me first, call me last, International only, Interisland only), days of availability, days off.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 8: RESERVES**

7. Once a Standby Reserve Flight Attendant has been assigned to duty, she/he shall be considered "assigned" as provided in Section 3, Paragraph T.
8. A Standby Reserve Flight Attendant may, when operationally practical, be released from duty for a period of time for the purpose of conducting personal matters. Once it is determined that a Standby Reserve Flight Attendant is no longer required, she/he will be released for the day.

**F. Days Off in Domicile**

A Reserve Flight Attendant shall have a minimum of twelve (12) calendar days off each month at her/his domicile.

1. Subsequent to receiving her/his bid award, a Reserve Flight Attendant, at her/his sole option, may waive her/his minimum days off down to six (6) days off per month.
2. All scheduled periods free from duty (days off) shall be at the Reserve Flight Attendant's domicile unless otherwise requested by the Flight Attendant.
3. Additionally a minimum of eight (8) days off will be considered red circle days off and will not be subject to change by the Company. Red circle days off will be bid and awarded in patterns of 2/2/2/2, 2/2/4, 2/3/3, 3/5, 4/4, 2/6 or 8. A Reserve Flight Attendant is not subject to recall on her/his red circle days off unless she/he volunteers for recall.
4. Non-red circle days off may be changed by Crew Scheduling as a last resort, provided the Flight Attendant is given notice of the change by noon of the previous day. When such a change occurs the Flight Attendant will be given another day off in return and, if possible, it will be a day off of her/his preference. This day off will then become an additional red circle day off. A Reserve Flight Attendant who is not given notice by noon of the previous day shall be guaranteed pay and credit for not less than four (4) hours as provided in Section 7.I.

G. Reserve Flight Attendants on a break between Interisland flight assignments shall notify Crew Scheduling if they are going to leave the Flight Attendant Lounge.

H. Reserve Flight Attendants shall check out with Crew Scheduling at the end of their duty period.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 9: SENIORITY**

**A. Period of Probation**

1. A Flight Attendant shall be considered to be a probationary employee for one hundred eighty (180) days from the date she/he completes her/his initial training flight. Thereafter, no Flight Attendant shall be required to serve an additional period of probation, except as provided below.
2. A Flight Attendant's probationary period shall be extended by the number of days absent beyond the first fourteen (14) consecutive days of any absence when such absence is due to non-occupational illness or injury, medical leave, disability leave due to pregnancy, paternity leave, parental leave, military leave, personal leave, personal emergency leave or furlough.
3. The Company shall be responsible for notifying the affected Flight Attendant in writing, with a copy to the Association, whenever an absence, as defined above, will cause a probationary period to be extended. Upon returning to work, the Company shall once again notify the Flight Attendant in writing, with a copy to the Association, of the revised date on which her/his probationary period will end.

**B. Seniority**

1. Seniority as a Flight Attendant shall be based upon the length of service as a Flight Attendant with the Company. Any Flight Attendant, once having established a seniority position, shall not lose that position except as provided in this Agreement.
2. Seniority shall begin to accrue from the date of the Flight Attendant's initial training flight at which time the Flight Attendant will be given a seniority number and date, and placed on the Flight Attendant System Seniority List. Assignment to her initial training flight shall be determined by lottery. Seniority adjustments will not be made unless the trainee is unable to make the flight as scheduled for some reason other than Company action.
3. Seniority shall govern all employees in case of bidding of runs, reduction in force, selection of vacations, their assignment or reassignment due to expansion or reduction in schedule, and their re-employment after release due to reduction in force.

**C. Flight Attendant System Seniority List**

1. The Flight Attendant System Seniority List shall be revised to reflect Flight Attendants' seniority status as of August 1 of each year and shall be posted within thirty (30) days thereafter. Flight Attendants shall have forty-five (45) days

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 9: SENIORITY**

after posting of such list in which to protest in writing to the Company any alleged omission or incorrect posting affecting their seniority in any such revised list, but such protests shall be confined strictly to errors or changes occurring subsequent to the posting of the prior seniority list. When an employee is on vacation, leave of absence or medical leave at the time the above list is posted, such employee may protest any alleged omission or incorrect posting within forty-five (45) days after return to duty.

2. The Flight Attendant System Seniority List shall include the following information:
  - a. Company date of hire
  - b. Flight Attendant date of hire or adjusted date of hire
  - c. Domicile
3. In conjunction with the annual posting of the seniority list, the Company shall provide individual written notification to each Flight Attendant whose relative seniority position has negatively changed from the previous posting of the list. A copy of each individual written notification will also be sent to the MEC President.

**D. Transfer to Non-Flying or Supervisory Duties**

1. A Flight Attendant transferred to supervisory, instructional duties or other non-flying duties directly related to Flight Attendant service shall retain and continue to accrue longevity and seniority for five (5) years. After five (5) years such Flight Attendant shall retain, but shall not continue to accrue seniority.
2. When a Flight Attendant is transferred to non-flying or supervisory duty on account of sickness or injury, she shall retain and continue to accrue longevity and seniority during such period until she returns to flying duty or shall be found to be unfit for flying duty for a continuous period of five (5) years.

**E. Loss of Seniority**

Any Flight Attendant whose services with the Company are permanently severed or who is permanently transferred from the Inflight Department shall forfeit her seniority rights, except as hereinafter provided in Paragraph F. of this Section.

- F. When a Flight Attendant transfers to another department in the Company, she shall retain and accrue her seniority as a Flight Attendant for a period of one (1) year.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 9: SENIORITY**

Thereafter she shall retain, but shall not continue to accrue, seniority for a period of up to five (5) years from the date she was transferred from the Inflight Department. After five (5) years outside of the Inflight Department have elapsed, the Flight Attendant's name will be removed from the system seniority list.

- G. A part-time Flight Attendant who has not been utilized for twelve (12) consecutive months shall be dropped from the seniority list at the next posting.
- H. Any full-time position shall be offered in order of seniority.
- I. Flight Attendants shall accrue longevity while working as part-time Flight Attendants as provided in Paragraphs W. and X. of Section 3 of this Agreement.
- J. Employees on special assignment or an assignment to a subsidiary, affiliate or other company, shall retain and continue to accrue seniority during such assignment.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDING OF FLIGHT SCHEDULES UNDER  
PBS**

**A. Awarding of Schedules**

1. A Flight Attendant retains the right to fly any runs out of her/his domicile to which her/his seniority entitles her/him as a result of bidding.
2. Schedules shall be bid monthly and Flight Attendants shall be awarded their monthly run in accordance with their seniority.

**B. Preparation of Groupings and Bid Runs**

1. One hundred percent (100%) of the known flying at each domicile shall be used to construct the flight groupings.
2. The criteria for preparation of monthly flight groupings are:
  - a. Flight groupings shall be constructed so as to comply with Section 7, Section 27.H. and Section 27.AE., of this Agreement.
  - b. The minimum number of positions available for bid and award for each flight grouping shall be no less than that provided for in Section 7.C., Section 27.H., Paragraph B.2.c. and B.2.e. below.
  - c. The general criteria for preparation of Interisland flight groupings shall be that, whenever feasible, they shall be comprised of eight (8) landings within an eight (8) hour duty period. In addition, Interisland Airport Reserve groupings will be comprised of AM and PM groupings with a minimum of two (2) positions per grouping.
  - d. The flight groupings as posted on the Master Grouping Sheet in the monthly bid package shall be used for open flight assignments. Posted flight groupings shall remain intact but may be modified, when necessary, to accommodate schedule changes prior to printing of the Daily Flight Schedule.
  - e. B767 Extended Range (ER) Groupings
    - (1) During grouping construction, after this agreement becomes effective, if the monthly load factor for the following month is less than 70%, the company may build ER groupings with one (1) less Flight Attendant than required in Section 7.C.2.b.
    - (2) During grouping construction, when passenger bookings equal or exceed 70% of the passenger load capacity, the grouping containing such segment will be fully crewed.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDED OF FLIGHT SCHEDULES UNDER PBS**

(3) For the purpose of calculating 70% of load factor, aircraft passenger capacity shall be determined by taking the actual number of passenger seats minus six (6) seats designated as crew rest seats.

	Capacity**	B767 246 (252-6)	B767 253 (259-6)	B767 258 (264-6)

75%		184	189	193
**-The numbers in this chart are based on the 767 aircraft seating configurations currently in the Hawaiian Airlines System.				

(4) The company may utilize the reduced staffing provisions on any new ER flight for a period not to exceed two (2) years from the date of the inaugural flight for such new ER flight. However, the reduced staffing provisions may not be utilized while any flight attendant is on involuntary furlough.

3. When the Master Grouping Sheets are posted, they shall contain the following information for each grouping:

  - c. Time of departure and arrival of each segment (In local and GMT time)

  - e. Daily on-duty and off-duty periods
  - f. Layover times (R.O.N.)

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDING OF FLIGHT SCHEDULES UNDER PBS**

- j. Positions available
  - 4. A copy of the information outlined in Paragraph B.3. above will be included with each Flight Attendant's published monthly packet.
  - 5. The flight groupings shall not be altered or changed between the time and date of posting of the bidding period and the date of the awarding of monthly runs.
  - 6. The Company will prepare the monthly flight groupings for submission to the Flight Attendant Scheduling Committee as early as possible but no later than 1200 hours H.S.T. on the fourth (4th) of each month. The Flight Attendant Scheduling Committee may make amendments to these flight groupings, which will not cause more than 0.25% increase in pay. The finalized groupings will then be returned to the Company for review and approval. The Company shall not withhold approval provided all the provisions of the Agreement have been complied with.
- C. Preferential Bidding System (PBS) Parameters**
- 1. The PBS shall not award a trip(s) during all known absences, either with or without pay, excluding sick leave. However, the PBS will credit each affected Flight Attendant with pay and credit as provided for in this Agreement.
  - 2. In the Honolulu domicile, Flight Attendants shall preference for an Interisland or International run as a primary preference. Honolulu domiciled Flight Attendants who preference a bid run in either operation in lieu of being awarded a Reserve run will be accommodated. Flight Attendants may opt to construct a line of either International flying, Interisland flying or a combination of the two.
  - 3. Criteria for Bid Runs
    - a. A bid run shall be a monthly run composed entirely of scheduled groupings with a monthly time of not less than seventy-five (75) hours or the increased floor set under Section 7.B.1.b.(2), except in a month where the Company has set a lower minimum of seventy (70) to seventy-four (74) hours, and maximum of ninety (90) or one hundred/one hundred ten (100/110) hours (option Paragraph D.1.below) of projected pay and credit hours at the time of the award. A Flight Attendant may set her/his bid cap anywhere within the range of seventy-five (75) to ninety (90) hours via her/his bid. If no cap is specified, the default cap of ninety (90) hours will be used. At her/his option, the Flight Attendant may build her/his bid up to one hundred (100) hours or, in certain months designated by the Company, one hundred and ten (110) hours.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDING OF FLIGHT SCHEDULES UNDER  
PBS**

- b. Bid run Flight Attendants shall have a minimum of twelve (12) calendar days off in a thirty (30) day month and thirteen (13) calendar days off in a thirty-one (31) day month at their domicile unless their days off have been prorated as provided in Paragraph O. of this Section.
  - c. A Low/Reduced time run is a bid run that is composed entirely of scheduled groupings with a monthly minimum time of thirty-seven and one-half (37½) and a maximum of fifty-five (55) hours of projected pay and credit hours at the time of the award.
  - d. No days off are subject to change by the Company, except as provided in Section 7.I.
4. Criteria for Reserve Runs
- a. All Reserve runs shall have a minimum of twelve (12) calendar days off at their domicile of which eight (8) will be red circle days off. A Flight Attendant who submits insufficient preferences or fails to preference red circle days off during the bidding process will be assigned the days in patterns of 2/2/2/2, 2/2/4, 2/3/3, 3/5, 4/4, 2/6 or 8. The system will not give these red circle days off in a group of eight (8) consecutive days unless the Flight Attendant specifically requests such.
  - b. A Low/Reduced Time Reserve run shall have a minimum of six (6) calendar days off in domicile of which four (4) will be red circle days off. Of the remaining days of the month, the low time Reserve Flight Attendant shall preference and be awarded nine (9) days of Reserve availability. Such days of availability shall be in groups of no less than two (2) consecutive days. All days not designated as duty or red circle days off shall be days off.
  - c. Each domicile shall be allocated a minimum number of weekend and holiday days off to be awarded on the Reserve runs. Such allocation shall be based on the following formulas. Any fraction will be rounded up to the next whole number.

Weekends: Fifteen percent (15%) of the total Flight Attendants in the domicile multiplied by twenty percent (20%) will equal the minimum number of off-duty days to be awarded on a Saturday and on a Sunday.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDING OF FLIGHT SCHEDULES UNDER  
PBS**

Example: The domicile has 500 Flight Attendants.  $500 \times 15\% = 75$ .  $75 \times 20\% = 15$ . There will be a minimum of 15 off-duty days awarded on each Saturday and each Sunday for that bid period.

Holidays: Fifteen percent (15%) of total active Flight Attendants in the domicile multiplied by ten percent (10%) will equal the minimum number of days off to be awarded on a holiday.

Example: The domicile has 500 Flight Attendants.  $500 \times 15\% \times 10\% = 7.5$ . There will be a minimum of eight (8) off-duty days awarded on each holiday in that bid period. This holiday formula shall apply for New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve Day, Christmas Day and New Years Eve Day.

5. Honolulu Flight Attendants hired prior to April 1, 1984 cannot be involuntarily assigned to the International Operation.
6. Stacking and Optimization
  - a. If a no-stacking PBS run at HNL yields open time of 1.0 percent or less of "total time", then stacking and optimization will not occur that month.
  - b. If the no-stacking run yields open time of greater than 1 percent of "total time", then stacking with choice optimization only will occur.
  - c. If stacking with choice optimization yields open time greater than 1.5 percent of "total time", then for such months, up to a maximum of three months in a given calendar year, the company may utilize stacking with line optimization and choice optimization.
  - d. Whenever optimization is used, the remaining open time may be manually built into lines of flying (which may include completing incomplete lines) which will then be put out for secondary bid, but if unbid, may be assigned by the company in inverse seniority order.
  - e. To the extent the above provisions are not fully programmed, the parties agree that they will be implemented manually while the parties work cooperatively toward the implementation of a fully automated system. The parties also agree that they will work together to explore the availability of alternative PBS software programs that may meet their joint needs and be preferable to the software program now being used.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 10: PREPARATION, BIDDING AND AWARDING OF FLIGHT SCHEDULES UNDER  
PBS**

- f. In the above provisions, “total time” means the total published credit hours for a bid month that may be assigned/awarded to Flight Attendants by the PBS program.
- g. The Company will not implement stacking at LAX.
- h. Additional Holidays
  - (1) If the company exercises its right under paragraph C.6.c. above for the first time in a given year other than November or December, and in that month there is a company-designated holiday, work on that holiday will receive holiday pay. Where the Company decides to exercise its right in paragraph C.6.c. above, the company will give notice of such intention prior to the final run, so that Flight Attendants will know of the holiday-pay opportunity before the final bid.
  - (2) If the month does not have a company-designated holiday, work on the next unpaid company-designated holiday will receive holiday pay.

**D. Monthly Run Bidding Options**

A Flight Attendant shall have the following options when bidding for her/his monthly run with PBS.

- 1. Optional Monthly Maximum - A Flight Attendant may preference a maximum of one hundred (100) hours (one hundred ten (110) hours in an increased flying month) pay and credit.
- 2. Any Flight Attendant may preference for specific groupings, specific groupings on specific dates, specific trips, days off, red circle days off, Interisland, International or Mixed bid run (HNL), Reserve run, minimum or maximum pay and credit time, on duty or off duty time, layover destinations, bid run pay and credit time (in no case shall such pay and credit time windows be less than ten (10) hours or greater than fifteen (15) hours), premium pay position, buddy bidding, team bidding, hub turns, avoid groupings and avoid a Flight Attendant(s) (with confidentiality).
- 3. 3. A Flight Attendant picking up the flight segment must sign in and ensure that the Captain's log/ACARS has been updated.

FLIGHT ATTENDANT AGREEMENT**

**SECTION 12: PICK UPS, DROPS, TRADES AND EXCHANGES**

5. If the Company would have otherwise provided a hotel room, only one (1) of the Flight Attendants shall receive the hotel room in the layover city. The Flight Attendants shall determine between themselves who shall be eligible for the room. In the event they cannot determine, the person who works in shall get the room.

**M. Reserve Flight Attendants Picking Up Groupings on Red Circle Days Off**

Reserve Flight Attendants on a red-circle day(s) off may pick-up a grouping(s) from Open Time or a Bid Flight Attendant at her/his domicile, in accordance with the parameters set forth in Section 8, Paragraph B.1.b. or in accordance with N.2. below.

**N. Available Open Flying Procedures**

1. The Company shall keep all open flying current in its computer systems. This information will be accessible to Flight Attendants through the Company's automated systems (e.g., Crew Trac, Crew Menu/Voice System) on a twenty-four (24) hour basis. All known open time will be released at noon HST three (3) days prior to the beginning of the new PBS month. This date will be indicated on the monthly bid packet.
2. Picking Up and Exchanging with Open Time
  - a. Each day at 1800 (HST) Crew Scheduling will process all Bid and Reserve on Red Circle Day Off Flight Attendant requests for picking up and exchanging groupings with open time from the designated voice mailbox and award these requests in order of seniority. Requests must be submitted at least thirty (30) hours prior to the date of departure. (Example: A request for a grouping departing on Thursday must be received in the designated voice mailbox by 1800 on Tuesday.) All requests that cannot be awarded (e.g. grouping not available, trade not legal, etc.) will be discarded.
  - b. A Flight Attendant's request to exchange a grouping with an open time grouping that covers the same or more calendar days shall be awarded in accordance with Paragraph a., above, without respect to Reserve coverage.
  - c. For the purpose of exchanging groupings with open time on different calendar days, Crew Scheduling will determine if there is adequate Reserve coverage on the day(s) of the grouping that is to be given up in the exchange. Adequate Reserve coverage for the purpose of this provision shall be defined as ten percent (10%) of the total number of Flight Attendants needed to staff the flight schedule that day(s) plus the contractual number of Standbys plus the number of Flight Attendants needed to cover any known open flying. In the event the number of Flight Attendants requesting to "give up" a grouping

FLIGHT ATTENDANT AGREEMENT**

**SECTION 12: PICK UPS, DROPS, TRADES AND EXCHANGES**

via an exchange with open time exceeds the number of drops that can be awarded on any day(s) of the grouping to be given up, the give ups/drops shall be awarded in the order the requests were received.

- d. Thirty (30) hours prior to the date of departure of the grouping, open flights cease to be available for pick-up or exchange. Crew Scheduling will assign open groupings to Bid Flight Attendants and Reserve Flight Attendants on Red Circle Day(s) Off, in seniority order, who have a specific request for a grouping, extra flying or same day of departure grouping exchanges prior to assigning a Reserve Flight Attendant. Such requests must be submitted to Crew Scheduling via a designated voice mailbox. A request may be changed or rescinded by the Flight Attendant no later than thirty (30) hours prior to the date of departure. Requests shall remain in effect until the daily flight schedule has been printed (1600 local domicile time). Crew Scheduling shall notify the Flight Attendant on the day before departure that her/his request has been awarded.
  - e. A Reserve Flight Attendant may request open time flying by notifying Crew Scheduling via a designated voice mailbox no earlier than forty-eight (48) hours, and no later than twenty-four (24) hours prior to the date of the grouping's departure. The Company shall make its best effort to grant Reserve Flight Attendants' requests in order of seniority, after the assignment of Bid Flight Attendants, as provided in this Section.
3. For purposes of this Paragraph N., a Flight Attendant may only pick-up and exchange groupings within her/his domicile (i.e. LAX or HNL).
  4. If a grouping is canceled, the Flight Attendant picking up the grouping shall be assignable for make up, as provided in Section 3.
  5. A Flight Attendant who picks up a grouping(s) may not drop below six (6) minimum days off.
- O. Dropping Groupings**
1. A Bid Flight Attendant shall be allowed to "drop" a grouping as long as it is "picked up" by another Flight Attendant who is available, willing, and legal to fly the grouping.
    - a. Procedures for Trip Groupings eligible for Holiday Pay  
Groupings eligible for Holiday Pay must be posted for a period of twelve (12) hours beginning at 6 a.m. local domicile time and will then be awarded in

FLIGHT ATTENDANT AGREEMENT**

seniority order among those flight attendants requesting the grouping. Flight Attendants must be legal and available for the entire grouping in order for it to be awarded. If the grouping is not awarded via this process the grouping may be dropped directly to another flight attendant.

- b. Procedures for Dropping Groupings with Extended Range Flights, Turns or Charters.  
Groupings with Extended Range Flights, Turns or Charters must be posted for a period of twelve (12) hours beginning at 6 a.m. local domicile time and will then be awarded in seniority order among those flight attendants requesting the grouping. Flight Attendants must be legal and available for the entire grouping in order for it to be awarded. If the grouping is not awarded via this process the grouping may be dropped directly to another flight attendant.
- c. "Turns" as used in paragraph b. above means a one duty period grouping with a maximum of two segments which begin and end in domicile, excluding an interisland grouping that would meet these criteria.
- d. The procedures specified in b. above shall not apply to the LAX domicile.

- 2. Additionally, a Bid Flight Attendant shall be allowed to drop a grouping to open time provided there is adequate Reserve coverage. Adequate Reserve coverage for the purpose of this provision shall be defined as ten percent (10%) of the total number of Flight Attendants needed to staff the flight schedule that day(s) plus the contractual number of Standbys plus the number of Flight Attendants needed to cover any known open flying. In the event the number of Flight Attendants requesting to drop a grouping exceeds the number of drops that can be awarded on any day(s) of the grouping to be dropped, the drops shall be awarded in the order the requests were received.
- 3. A Flight Attendant whose desire to drop a grouping to open time cannot be accommodated in accordance with Paragraph O.2. above, shall notify Crew Scheduling to post the grouping she/he wishes to drop with available open time by leaving a request in the designated voice mailbox at least thirty (30) hours (local domicile time) prior to the date the grouping originates. Additionally, such Flight Attendant may request to drop a grouping in accordance with the procedures in N.2.d. above. If the grouping can be awarded to a Flight Attendant who has requested to pick up additional flying, the request to drop will be granted.

**P. Alternative Scheduling System**

FLIGHT ATTENDANT AGREEMENT**

**SECTION 12: PICK UPS, DROPS, TRADES AND EXCHANGES**

In the event a mutually acceptable alternative system is identified, the Company and the Association shall proceed in good faith to identify the provisions of this Agreement that must be modified to accommodate such a system. The provisions of this Agreement shall continue to apply unless and until mutually acceptable provisions are agreed upon.

FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

A. The Company shall compensate a Flight Attendant for the loss of what she/he normally would have earned during her/his illness in the manner set forth below. The total period for which such compensation is paid shall not exceed the amount of sick leave which has been accumulated by the Flight Attendant and shall be subtracted from such accumulated sick leave.

B. **Sick Leave Accrual**

1. After six (6) months of active service with the Company, a Flight Attendant shall be credited with forty-two (42) hours of sick leave and thereafter shall be credited with five and sixty-five hundredths (5.65) hours of sick leave for each month of active service to a total of one thousand and eighty (1080) hours.
2. Part-time Flight Attendants shall accumulate sick leave credit at the rate of seven (7) hours for every sixty-eight (68) hours credited to a total of one thousand and eighty (1080) hours.

C. Sick leave credit will not accrue to a Flight Attendant while on leave of absence of fifteen (15) days or more or sick leave without pay in excess of thirty (30) days, excluding time off due to industrial accident or industrial sickness. A Flight Attendant while on furlough or leave of absence, or assigned part-time duty, shall retain her/his accumulated sick leave.

D. **Sick Leave Hours**

For purposes of this Section, "hours" means credited hours compensable at the current pay rate provided in this Agreement for the Flight Attendant involved.

E. **Pay and Credit for Flight Attendants**

1. **Bid Run Flight Attendants**

When a Flight Attendant is scheduled on a bid run and is granted sick leave, she/he shall be credited and paid for what she/he normally would have earned. Her/his sick leave credit will be charged accordingly.

2. **Reserve Run Flight Attendants**

When a reserve run Flight Attendant is printed on the daily flight schedule and is on sick leave, she/he shall be paid and credited for what she/he normally would have earned, or if not printed she/he shall be paid and credited 4.25 hours per workday. Her/his sick leave will be charged accordingly.

3. When a Flight Attendant calls in sick, she/he may use her/his accrued sick leave to receive pay and credit for missed trips/duty, up to her/his applicable cap (55, 100/105.)

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

- F. A Flight Attendant on sick leave for a calendar month, who has not bid for that month, shall be paid First Flight Attendant compensation, provided at least fifty percent (50%) of a more junior Flight Attendant's bid line was awarded in the First Flight Attendant position. In addition, such Flight Attendant may elect to have her/his sick leave credited at:
1. two and fifty hundredths (2.5) hours per day; or
  2. two and eighty-three hundredths (2.83) hours per day; or
  3. three (3.0) hours per day; or
  4. one and twenty-five hundredths (1.25) hours per day if the Flight Attendant is on the Low Time Option; or
  5. One and eighty-three hundredths (1.83) hours per day if the Flight Attendant is on the Low Time Option; or
  6. Three and thirty-five hundredths (3.35) hours per pay for 100 hour cap (three and sixty-seven hundredths (3.67) hours per day in 110 hour months).
- G.
1. It shall be the responsibility of a Flight Attendant to inform the Company (Crew Scheduling Office) that she/he is not available for duty because of illness. Upon contacting the Crew Scheduling Office, a Flight Attendant shall be considered relieved from duty.
  2. **DOCTORS NOTES**
    - a. A Doctor's note is required for all absences in excess of seven (7) calendar days and for sick occurrences on the following specified "Holidays": Super Bowl Sunday, July 4th, Labor Day and Thanksgiving. Such doctor's note must be provided by the Flight Attendant upon her/his return to work or within ten (10) calendar days of the first day of a sick occurrence, whichever is earlier. Unless the Flight Attendant is on the Sick Leave Monitor Program, no further note will be required. A Flight Attendant who is not on the Monitor Program and has not had a sick occurrence in the previous six (6) months shall be exempt from the Holiday requirement.
    - b. All flight attendants will be reminded at the time of a sick call of the requirement to provide a doctor's note if the duration of the sick period is

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

more than seven (7) days. The purpose in requiring a doctor's note is to confirm that the flight attendant sought medical attention.

- c. The Company will accept a note from a qualified medical practitioner (e.g., doctor, nurse-practitioner, etc.) provided the note is in an industry-recognized format. Such note must be provided upon return to work or within ten (10) calendar days of the first day of a sick occurrence, whichever is earlier, unless other arrangements have been made with the Flight Attendant's supervisor.
  
- d.
  - (1) Failure or refusal to submit the doctor's note within the above time limits, or as agreed upon with the supervisor, absent extenuating circumstances, may subject the flight attendant to discipline per the Progressive Disciplinary Procedures. However, nothing herein diminishes or limits the exercise of supervisors' discretion in these circumstances.
  
  - (2) When a flight attendant fails to provide a doctor's note within the eighth and tenth day of the illness, a letter notifying her/him of this failure will be given unless other arrangements have been made with the supervisor. The letter will state the level of discipline that this failure merits. If the level is the 1st step Counseling session, the flight attendant must schedule a meeting with his/her supervisor to discuss the matter. For all other levels, the letter shall advise the flight attendant of the option to meet with their supervisor. No letter of charge or formal hearing is required. However, this does not abrogate the flight attendant's ability to file a grievance contesting the situation.
  
- e. The Progressive Disciplinary Procedures will be amended to add "Failure to Provide Required Doctor's Note". Such procedure is detailed below:
  - First Offense: Counseling
  
  - Second Offense: Letter of Warning
  
  - Third Offense: Letter of Warning or 1-3 day suspension
  
  - Fourth Offense: Letter of Warning or 1-7 day suspension
  
  - Fifth Offense: Letter of Warning or 14 day suspension

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

Sixth Offense: Letter of Warning or 30 day suspension

Seventh Offense: Longer Suspension or Termination

- f. It is understood that progressive discipline steps and doctor's note provisions of regular sick leave and sick leave covered by the Sick Leave Monitor Program are separate, and although the two may run parallel to each other, they do not combine to accelerate progressive discipline steps.
  
- H. It shall be the responsibility of a Flight Attendant returning from sick leave to notify the Company (Crew Scheduling Office) that she/he is available for duty not later than 9:00 a.m. of the day prior to her/his return to duty. Late notification will be justification for charging the Flight Attendant an additional day of sick leave. Charges against a Flight Attendant's sick leave will not be made for any days after a Flight Attendant has notified the Company of her/his availability for duty.
  
- I. Compensable sick leave is based upon actual sickness of the Flight Attendant requesting it. Routine medical and dental appointments do not constitute "actual sickness" within the meaning of this Section. Where an abuse of sick leave privileges is indicated, the Company may require a doctor's written confirmation of illness if the Flight Attendant is forewarned of such requirements. The Company may also request a doctor's clearance before returning a Flight Attendant to active duty after a prolonged or serious illness or injury. The cost of confirmation of illness will be borne by the Flight Attendant and the cost of clearances to return to work, if any, will be borne by the Company.
  
- J. **Sick Leave Make-up**
  - 1. A Flight Attendant may, upon request, make up time lost because of illness if time is available.
  
  - 2. Requests for making up lost time shall be made on appropriate forms directly to the In-Flight Services Office. Such requests shall be made no later than the first working day following return from sick leave. Flight Attendants shall indicate make-up availability directly to the Crew Scheduling Office and shall be assigned open time in order of their seniority.
  
  - 3. Flight Attendants shall be responsible for ascertaining any assignment made by 1700 of the day preceding the assignment.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

4. Any assignment of make up time, in accordance with Subparagraph 1 above, shall not cause the displacement of any other Flight Attendant from her/his assigned schedule as printed on the daily schedule.

**K. Workers' Compensation and Occupational Injury Pay**

1. When a Flight Attendant is injured on the job or has been afflicted with an occupational illness, the Company will pay for all time lost until she/he receives Workers Compensation. From then on, the Company will pay her/him the difference between what she/he receives from Workers' Compensation and her/his average monthly earnings for the six (6) months (exclusive of leaves) prior to the date of the injury. Such compensation will continue, not to exceed ninety (90) days. If an occupational injury continues beyond such ninety (90) day period, occupational injury pay equivalent to two-thirds (2/3) of the Flight Attendant's earnings stipulated above, less taxes and Workers' Compensation, shall be paid for up to and including nine (9) additional months.
  - a. The Company shall use the State of Hawaii's Workers' Compensation criteria when determining a Flight Attendant's "average weekly wage" for her/his worker's compensation benefit.
  - b. In determining a Flight Attendant's "average monthly earnings for the six (6) months (exclusive of leaves) prior to the date of injury", the Company shall include all earnings (gross wages) excluding any per diem.
2. Such occupational injury benefits shall in no way be charged against a Flight Attendant's non-occupational sick leave provided for in this Section.
3. While on occupational illness/injury leave, the Flight Attendant shall be permitted, at her/his option, to utilize accumulated sick leave in amounts sufficient to supplement her/his Workers Compensation benefits and/or occupational illness/injury pay, if any, to increase the total monthly amount up to the average monthly earnings as determined under paragraph K.1. of this Section.
4. Workers' Compensation as used in this Section shall mean pay and benefits in amounts equal to those prescribed by the Workers' Compensation Law of the State of Hawaii, or the State of the Flight Attendant's domicile, whichever provides the greater benefit to the Flight Attendants.
5. A Flight Attendant on occupation illness/injury leave shall retain and accrue seniority and longevity for the duration of such leave.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

6. Modified Light Duty
  - a. The hourly rate of pay for a Flight Attendant on temporary modified “light” duty due to worker’s compensation injuries/illnesses will be calculated by taking the total Flight Attendant pay and credit plus First Flight Attendant pay for the last six (6) months prior to the date of injury and dividing by six to establish an average monthly amount. Then divide this amount by 173.33 to determine the hourly rate for temporary modified “light” duty.
  - b. For a Flight Attendant who does not live in or near a domicile, modified ground duty may be assigned at a charitable organization (e.g. United Way) or a public institution (e.g. local school board), subject to Hawaiian Airlines policy. Such Flight Attendant will be provided with a list of such organizations and, where possible, the company will consider the Flight Attendant’s suggestions, (e.g.- child’s school.)
  - c. If a Flight Attendant is released for Temporary Modified Duty (TMD) and is offered TMD and she/he refuses to perform such duty, all monies provided in K.1. above shall cease.
7. If at the time the claim is accepted, the Company has paid to the Flight Attendant an amount that is higher than what the Company was obligated to pay, then the Flight Attendant shall agree to return the entire overage amount to the Company within fourteen days of receipt of the compensation from the insurer by personal check.
8.
  - a. If a Flight Attendant’s Workers’ Compensation claim is denied without a further right of appeal or is withdrawn, then she/he shall be required to make the Company whole for all monies received under the above provisions. The Flight Attendant shall debit her/his sick leave bank but can maintain a balance of thirty-seven and one-half (37.5) sick leave hours or less if she/he chooses. If a balance remains after sick leave hours are debited, the Flight Attendant has the option to debit their available accrued vacation, and/or pay the remaining amount through direct payment for no longer than three (3) months.
  - b. If a Flight Attendant resigns, retires or is terminated, then all monies due and payments can be deducted from any final paychecks, and the Flight Attendant will sign a promissory note for any balance due.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

9. If a Flight Attendant is released to return to full duty, she/he shall return to full duty and all benefits contained herein shall cease.
  
10. The Parties agree to form a joint labor-management committee whose purpose will be to facilitate the exchange of information and address issues and problems regarding procedures under which Hawaiian Airlines administers its workers' compensation program.
  
- L. The Company shall be responsible for maintaining a record of sick leave credits and payments, which record shall be available to a Flight Attendant upon request, and a list showing accrued sick leave balances as of December 31st each year will be posted in the Flight Attendants lounge in January of the following year.
  
- M. A Flight Attendant's sick leave bank shall be debited for all lost time, unless she/he elects to make up lost time during the month. A Flight Attendant may elect to debit her/his sick leave bank to bring her/his total pay and credit to her/his monthly maximum.
  
- N. Unless otherwise requested by the Flight attendant, at the time of a sick call, Crew Scheduling shall immediately credit her/him with the value of a grouping(s) or reserve day(s) missed due to sick leave and shall debit her/his sick leave bank accordingly.
  
- O. **Sick Leave Bonus**
  1. When a Flight Attendant has completed a designated calendar quarter (January-March; April-June; July-September; October-December) without missing an assigned flight due to illness, occupational illness or injury, maternity leave, leave of absence, emergency leave of absence, voluntarily dropping below 37.5 hours, part-time, partnership or reduced flying, she/he shall receive one (1) bonus vacation day per designated quarter. The vacation day may be cashed out at three (3.0) hours per day, taken during the year, or added to the Flight Attendant's accrual for the calendar year.
  
  2. Within forty (40) days of the end of each calendar quarter, the Company shall post a list (by memo, bid package, or newsletter) of those Flight Attendants who have received the Sick Leave vacation bonus, as provided above.
  
- P. When a Flight Attendant, who has been on extended illness, injury, pregnancy, or occupational illness or injury for thirty (30) to work, she/he shall be credited with ten (10) hours per month until the number of accrued hours in her/his bank at the time her/his extended illness began is restored. Once the time is restored, her/his

accrual rate shall return to the rate provided in Paragraphs B. and C. of this Section. In determining when the accelerated accrual shall begin, those Flight Attendants returning prior to the sixteenth (16th) of the month shall receive the additional hours for that month and those returning on the 16th or later will begin additional accrual in the following month.

- Q. The Company shall notify the Master Executive Council President or designee of all occupational injuries or illnesses.
- R. **Sick Leave Monitor Program (SLMP)**
1. The purpose of this program is to monitor, counsel and rehabilitate Flight Attendants who habitually exceed the defined acceptable level of sick leave usage.
  2. **Acceptable Sick Leave Usage**  
Acceptable sick leave is defined as five (5) or fewer occurrences in a rolling 365-day period. If a Flight Attendant exceeds this level, she/he will be placed on the Monitor Program.
  3. Once a Flight Attendant has four (4) sick calls (occurrences) in a 365-day period, In-Flight will notify the Flight Attendant by letter that she/he is approaching the point of being placed on the program or being progressed to the next step. This notification may be sent by electronic means in the future if the parties mutually agree that the technology to accomplish this is in place.
  4. **The Program**
    - a. Step 1. Upon having her/his sixth (6) occurrence in a rolling 365-day period, the Flight Attendant will be placed on Step 1 of the program. Upon receipt of a letter notifying her/him of placement on the Monitor Program the Flight Attendant will be required to contact her/his supervisor and schedule a meeting within ten (10) days of being placed on Step 1 to review the Monitor Program, well as other programs that may be available to the Flight Attendant (e.g. FMLA, HFLL, AFA or Company EAP, MLOA etc.) If the Flight Attendant fails to schedule such meeting, it will be assumed that she/he is familiar with the Monitor Program, and the other programs, and will be held accountable for future occurrences accordingly. Six (6) occurrences in the next 365 days will progress the Flight Attendant to Step 2.
    - b. Upon placement to Step 2, the Flight Attendant will be counseled and given a written letter of warning advising her/him that her/his sick leave usage continues to be unacceptable. Exceeding the acceptable level of sick leave

FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

usage may result in further disciplinary action. The Flight Attendant will also be referred to the AFA and Company Employee Assistance Programs. Six (6) occurrences in the next 365 days will progress the Flight Attendant to Step 3.

- c. Upon placement to Step 3, the Flight Attendant will receive a final letter of warning advising her/him that she/he will be subject to further discipline, up to and including dismissal, if she/he continues to maintain an unacceptable level of sick occurrences. She/he will also receive a five (5) day suspension without pay. She/he will be offered a medical leave of absence. If she/he takes a medical leave of absence, upon return to work the Flight Attendant will remain on the monitor program for the balance of days remaining in the 365-day period. Six (6) occurrences in the next 365 days will progress the Flight Attendant to Step 4.
  - d. Step 4 may result in possible termination.
5. Removal from Program
- After being placed on the program, a Flight Attendant will be removed if she/he has five (5) or fewer occurrences in the 365 days following placement on the program or progression to the next step.
- a. Example: A Flight Attendant calls in sick on February 6th-8th, March 30th-April 1st, June 8th-10th, July 12th-18th, September 3rd and October 11th-13th. Barring extenuating circumstances, the Flight Attendant will be placed on Step one of the Monitor Program on October 14th. If the Flight Attendant then calls in sick 5 or fewer times prior to the following October 13th, she/he will be removed from the Monitor Program.
  - b. Example: A Flight Attendant calls in sick on February 6th-8th, March 30th-April 1st, June 8th-10th, July 12th-18th, September 3rd and October 11th-13th. Barring extenuating circumstances, the Flight Attendant will be placed on Step one of the Monitor Program on October 14th. The Flight Attendant then calls in sick 6 additional times before the next October 14th, with the 6th occurrence ending on May 18th. She/he will then progress to Step 2 of the Monitor Program effective May 19th. In order to be removed from the program, the Flight Attendant must then have fewer than 6 additional sick occurrences in the following 365 days. If so, she/he will be removed from the Monitor Program on the following May 18th.
6. Definitions

FLIGHT ATTENDANT AGREEMENT**

**SECTION 19: SICK LEAVE**

Missed work assignments with no flying activity in between will be counted as one (1) occurrence. Missed work assignments with flying activity in between will be counted as one (1) occurrence if the subsequent occurrence is due to a relapse/recurrence of the illness/injury that caused the first absence. Such recurrence/relapse must be verified by a doctor's note.
  - b. Non-Occurrence: Non-occurrences include, but are not limited to, FMLA, HFLL, OCC and ADA events and, at Management discretion, extenuating circumstances.
  - c. Acceptable Level of Sick Leave: A Flight Attendant is allowed five (5) occurrences in a rolling 365-day period.
  - d. Notification: All notification to a Flight Attendant of being placed on the Monitor Program, progression within the program and/or removal from the program must be in writing.
7. Doctor's Note
- a. In addition to the doctor's note requirements of 19.G.2. above, upon return to work, a second doctor's note will be required for all sick occurrences in excess of seven (7) work days.
  - b. Additionally a doctor's note will be required for sick occurrences that cover one of the following: Super Bowl Sunday; Independence Day (July 4th), Labor Day and/or Thanksgiving Day.
  - c. Doctor's note must be provided upon return to work and must include, to the extent permitted by law, the following information:
    - (1) Dates of illness/injury;
    - (2) Dates of treatment/office visit;
    - (3) Confirmation that illness/injury prohibited Flight Attendant from flying;
    - (4) Date of return to full duty; and
    - (5) Doctor's signature.

[INTENTIONALLY LEFT BLANK]

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 20: PHYSICAL EXAMINATION**

A.

1. Routine or regular periodic physical examinations of Flight Attendants, once they have completed their probationary period, will not be made. At any time, however, that the Company should determine that the Flight Attendant's physical and/or psychological condition may impair the performance of her/his normal or emergency duties, a physical and/or psychological examination may be required. Cost of such examination(s) will be borne by the Company and a copy of the statement of fitness will be furnished to the Flight Attendant.
2. All statements of fitness shall comply with Paragraphs B.1. and B.2. of this Section.

B.

1. Any information obtained by or as a result of a Company physical and/or psychological examination shall be strictly confidential between the physician and the employee, and shall not be divulged to any other person without the written permission of the employee, except as stipulated in Paragraph B.2. below.
2. Should it be determined that the Flight Attendant's physical and/or psychological condition may impair the performance of her/his normal or emergency duties, information pertaining only to that ailment involving the impairment shall be divulged to the head of In-Flight Services. All other information shall continue to be strictly confidential between the physician and the employee.

C. Any employee hereunder who fails to pass a Company physical examination may, at her/his option, have a review of her/his case in the following manner:

1. The employee may employ a qualified physician of her/his own choosing and at her/his own expense for the purpose of conducting another physical and/or psychological examination to confirm or refute the examination made by the initial physician employed by the Company.
2. A copy of the statement of fitness of the physician chosen by the employee shall be furnished to the Company, and, in the event that such findings verify the findings of the initial physician, no further review of the case shall be afforded.
3. In the event that the findings of the physician chosen by the employee shall disagree with the findings of the initial physician, the Company will, at the written request of the employee, ask that the two (2) physicians agree upon and appoint a third qualified and disinterested physician, preferably a specialist, for

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

- the purpose of making a further medical and/or psychological examination of the employee.
4. The said disinterested physician shall then make a further examination of the employee in question and the case shall be settled on the basis of such findings.
  5. The expense of the employing of the disinterested physician shall be borne one-half (½) by the employee and one-half (½) by the Company. Copies of such physician's statement of fitness shall be furnished to the Company and to the employee.
- D. When a Flight Attendant is denied flying status by the Company upon returning from medical leave or is removed from flying status by the Company as a result of her/his failure to pass the Company's physical and/or psychological examination and appeals such action under the provisions of this Section, she/he shall, if such action is proven to be unwarranted as provided in Paragraph C. of this Section, be paid retroactively the amount she/he normally would have earned during such period. Furthermore, all records pertaining thereto shall be immediately removed from all her/his files.
- E. Should a Flight Attendant receive pay for sick leave hours while awaiting review of her/his case under Paragraph C. of this Section, such sick leave hours will be restored to her/his account, including what would have been earned, if the third and disinterested physician finds that she/he is fit to fly.
- F. Any medical, dental, or counseling services requested by the Company shall be paid for in full by the Company.
- G. Any physical and/or psychological examination required under Paragraph A of this Section shall take place within ten (10) days after the Flight Attendant receives the required written notice. The physician who performs said examination shall issue the statement of fitness to the Company with a copy to the Flight Attendant within seven (7) days after she/he undergoes said examination. Reasonable additional time shall be allowed in the event special laboratory analysis or other procedures are deemed necessary. Any time limitations or requirements in this Section may be waived or altered by the mutual consent of the Flight Attendant and the Company.
- H. A Flight Attendant shall not undergo any physical and/or psychological examination within twelve (12) hours before any form of Company duty.
- I. **Drug/Alcohol Testing**

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 20: PHYSICAL EXAMINATION**

Pursuant to the Department of Transportation regulations the following shall apply:

1. The Company may require a Flight Attendant to submit to a drug/alcohol test, if there exists reasonable cause to believe that she/he is under the influence of drugs/alcohol, and to hold her/him out of service pending the results of the test. However, if the Flight Attendant's test is negative, she/he shall be returned to service, all reference to the drug/alcohol test or the period during which she/he was held out of service shall be expunged from her/his record, and she/he shall receive full pay and credit for all lost trips while she/he was held out of service.
2. It is understood that there is mandatory drug and alcohol testing for all Flight Attendants pursuant to Federal Regulations.
  - a. The Company and the Association shall meet to discuss and review any proposed revisions to the current drug/alcohol testing programs submitted to the Department of Transportation by Hawaiian Airlines, Inc.
  - b. The Company shall convene a committee of all labor groups which shall establish jointly written policies and procedures for all issues relating to the unions' and the Company's Employee Assistance Programs ("EAP").
  - c. Such Management-Labor EAP review committee shall meet regularly, but not less than four (4) times a year, to review the effectiveness of the EAP guidelines and to develop appropriate revisions as necessary.
  - d. A Flight Attendant will not be required to submit to a random drug/alcohol test on a day free of duty. In the event that a random drug/alcohol test interferes with a Flight Attendant's schedule, the Flight Attendant shall not suffer any loss of pay or credit as a result of such random test. A Flight Attendant who is required to submit to a random drug/alcohol test upon release from a trip (grouping), shall receive one (1) hour pay/no credit for such random drug/alcohol test. Time spent submitting to a random test shall not be considered duty for the purposes of the Agreement.
  - e. Whenever operationally possible, drug testing will be administered during the duty day. For Flight Attendants on inter-island flights, when operationally possible, reserves will be used to replace them as required.
  - f. At the time a random drug test is administered, a "split sample" will be taken. The cost of maintaining the "chain of custody" and the test itself will be borne by the Company. One of the samples will be used for the drug test.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 20: PHYSICAL EXAMINATION**

The second sample will be retained and stored in a manner which will preserve its validity as a test sample and which comports with “chain of custody” requirements. In the event the first sample tests negative, the stored sample will be destroyed. In the event the first sample tests positive, the stored sample shall be tested at a facility used by the Company which is different from the facility used to test the first sample, or at the Flight Attendant's option, at a prearranged DHHS/NIDA approved facility designated by AFA. In the event the stored sample tests negative, it shall void the results of the first sample. Cost associated with the “chain of custody” and the testing of the stored sample shall be borne by the Company if a Company-selected facility is used, or, if the Flight Attendant selects another facility, the Company shall pay an amount equal to the cost of maintaining the “chain of custody” and the testing at the Company-selected facility.

- g. In the unlikely event that the Flight Attendant cannot have adequate domicile rest following drug/alcohol testing and wishes to be removed from her/his next grouping, she/he will notify Crew Scheduling immediately. If removed, she/he will be subject to reassignment on the calendar days of the grouping from which she/he was removed. Such reassignment shall be as close as operationally possible to the value of the original grouping. However, in no case will the Flight Attendant be reassigned to a grouping that will require removal from a subsequent grouping. If, at the time of notification to Crew Scheduling, they can give her/him a reassignment they will do so. Otherwise, the Flight Attendant will call in at the end of her/his rest period for a reassignment. **D. Bidding For Training**

(1) Each month the Company shall publish, in conjunction with the posting of bids, a list of Flight Attendants, in alphabetical order, who are eligible or due for training in the coming months. The list shall be divided into three parts indicating which Flight Attendants are in which of their three (3) training months during the coming months (i.e., prior month, anniversary month, grace month). The anniversary month is the month each year a Flight Attendant is due for training. A Flight Attendant also may attend training during the month prior to her/his anniversary month, or during the month following the anniversary month (must-go). The posting shall also indicate the days training will be offered for the subsequent month(s).

If there are insufficient volunteers the Company will assign in inverse seniority order from the applicable month(s). However, in such circumstances, no Flight Attendant will be reassigned if doing so would force her/him to attend recurrent training twice within the same calendar year.

**b. Bidding for Recurrent Training**

(1) A Flight Attendant appearing on the published list may bid to attend training in her/his anniversary month or must-go month. Such bid, indicating order of preference and the Flight Attendant's choice of pay and credit or pay-no credit, must be completed by the fifth (5th) day of the month prior to the month the Flight Attendant desires to attend training (i.e., prior to the anniversary month or must-go month). The Company shall award training days in order of preference, except that all Flight Attendants who are bidding for their must-go month shall be awarded in seniority order first.

(2) A Flight Attendant who fails to bid for a training date in the anniversary month, or who desires to attend training in the may-go month, may call Training and, on a space available basis, select a training date on a known day off in either month. Such training shall be for pay-no credit.

2. An accelerated death benefit provision shall be added to the group life insurance plan effective July 1, 2001. This provision will provide a pay out of not less than fifty percent (50%) of a Flight Attendant's basic and optional group life insurance benefit if life expectancy is six (6) months or less as certified by a doctor and as approved by the insurance company.
3. Flight Attendants may purchase optional Life and Accidental Death and Dismemberment coverage in amounts noted above. If the Company procures rates for either the present or additional optional insurance at lesser rates than

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 32: INSURANCE AND BENEFITS**

at present, the Company will charge Flight Attendants the lesser rate for optional insurance.

4. For Flight Attendants on long-term disability, medical leave of absence or Workers' Compensation, basic Group Life insurance premiums will continue to be paid by the Company for up to nine (9) months of continuous disability or after sick leave has been exhausted, whichever is later. If the Flight Attendant becomes disabled before age sixty-five (65), she/he may make application to the insurance carrier for waiver of premium benefit after nine (9) months of continuous disability. If the application is approved, coverage is continued at no cost to the Flight Attendant for the duration of the disability, up to the earlier of retirement or the age at which LTD benefits cease to be payable under the plan, as long as the disability is certified each year and the coverage is in compliance with applicable law. If a waiver of premium application is denied, the Flight Attendant, at her/his own expense, shall be permitted to continue coverage at the Company's group rates for as long as she/he is on the Flight Attendants' System Seniority List.
5. Beginning with the month following application therefore, an eligible employee may purchase, through payroll deduction, \$5,000 of Group Life insurance for her/his spouse and \$2,000 for each dependent child at the best group rate the Company can obtain. Children are covered for the first six (6) months of life for \$100. Thereafter, they are covered for \$2,000 up to their 20th birthday. Seventy-five percent (75%) of the eligible employees must sign up for this coverage before it will become effective.

**B. Long Term Disability (LTD)**

1. The Company will provide to all Flight Attendants covered by who have been employed in a full-time capacity for a period of three (3) continuous months, Long Term Disability (LTD) insurance in accordance with the following benefit structure.
2. Core LTD Benefits
  - a. Effective June 1, 2001, the Company shall provide core LTD benefits equal to fifty percent (50%) of the Flight Attendant's average basic monthly salary (for the purpose of LTD, average basic monthly salary shall be defined as W2 and tax deferred earnings, less imputed life, taxable domestic partner benefits, per diem, waiver of medical premiums, bonus/profit sharing, and/or any one-time, non-recurring item) earned for the twelve (12) months (exclusive of leaves) immediately prior to the date of disability (benefits not to exceed

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 32: INSURANCE AND BENEFITS**

two thousand dollars (\$2,000) per month) for all disabilities not covered by Workers Compensation.

- b. Company provided self-insured core LTD benefits shall be paid to an eligible disabled Flight Attendant starting with the ninety-first (91st) day after her/his last day of active employment due to disability or at the expiration of sick leave benefits, whichever occurs later, and continuing until the two hundred seventieth (270th) day. Thereafter, an eligible Flight Attendant's core LTD benefit coverage will be administered by the Company's LTD insurance carrier. Receipt of core LTD benefit payments under the Company's self-insured benefit program does not necessarily guarantee that the Company's LTD insurance carrier will approve a Flight Attendant's disability application for continuation of core LTD benefits after the initial two hundred seventy (270) days of coverage.

3. Optional LTD Benefits

Effective April 1, 2002, Flight Attendants may elect to purchase either one of the following optional LTD coverages. Optional LTD benefits are effective two hundred seventy one (271) days after the last day of active employment due to disability or at the expiration of sick leave benefits, whichever occurs later. Optional LTD benefits are administered by the Company's LTD insurance carrier. Receipt of core LTD benefit payments under the Company's self-insured benefit program does not necessarily guarantee that the Company's LTD insurance carrier will approve a Flight Attendant's disability application for payment of optional LTD benefits.

Option 1: Sixty percent (60%) of average basic monthly salary (as defined in 32.B.2.a.) up to a maximum of three thousand dollars (\$3,000) per month.

Option 2: Sixty-six and two-thirds percent (66-2/3%) of average basic monthly salary (as defined in 32.B.2.a.) up to a maximum of three thousand five hundred dollars (\$3,500) per month.

4. LTD benefit payments shall continue with the earlier of two (2) years, retirement or age sixty-five (65) (or later if required by law), or the age at which LTD benefits cease to be payable under the plan, whichever occurs first, if the Flight Attendant is unable to perform the job held at the time of disability. If the Flight Attendant is unable to perform any type of gainful employment, LTD benefit payments shall continue until the earlier of retirement or age sixty-five (65) (or later if required by law), or the age at which LTD benefits cease to be payable under the plan, whichever occurs first.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 32: INSURANCE AND BENEFITS**

5. Core and optional LTD benefit payments will be reduced by any amount received through the Social Security program or any other government or Company provided disability payments other than payments under the Flight Attendant 401(k) Plan.
6. A Flight Attendant disabled, as defined in the Long Term Disability program, shall be provided hospital, medical, surgical, and any applicable major medical coverage for her/him and eligible dependents provided in accordance with Subsection C. below for a period of six (6) months after exhaustion of sick leave benefits. Thereafter, at her/his own expense, she/he may continue such coverage at the Company's group rates for as long as she/he is on the Flight Attendants' System Seniority List.
7. Flight Attendants who are disabled due to pregnancy shall have their Long Term Disability (LTD) benefits adjusted if they apply for and are authorized State/Federal Unemployment Benefits. Flight Attendants who receive LTD and unemployment benefits shall not exceed the maximum compensation provided by the LTD plan.

Example: A pregnant Flight Attendant is disabled and qualifies for LTD. Her average compensation is \$4,200 per month. Therefore, she is eligible for a core LTD payment of \$2,000 per month (50% x \$4,200, to a maximum of \$2,000). If the Flight Attendant collects unemployment benefits at \$200 per week, or \$800 per month, she shall be eligible for not more than \$1,200 from her core LTD benefits for a total combined compensation of \$2,000 per month.

LTD Option 1: The same Flight Attendant purchased Option 1 with a maximum buy up of \$3,000 per month. Therefore, she is eligible to receive combined core and buy-up LTD benefits of \$2,520 per month (60% x \$4,200, to a maximum of \$3,000). If the Flight Attendant collects unemployment benefits at \$200 per week, or \$800 per month, she shall be eligible for \$1,720 per month (\$2,520 less \$800) per month. A portion of the LTD benefit is taxable and a portion of the LTD benefit is non-taxable based on the Company's overall premium allocation.

LTD Option 2: The same Flight Attendant purchased Option 2 with a maximum buy up of \$3,500 per month. Therefore, she is eligible to receive combined core and buy-up LTD benefits of \$2,800 per month (66-

If the Flight Attendant collects unemployment benefits at \$200 per week, or \$800 per month, she shall be eligible for \$2,000 (\$2,800 less \$800) per month. A portion of the LTD benefit is taxable and a portion of the LTD benefit is nontaxable based on the Company's overall premium allocation.

1. In the event the amount paid by a Flight Attendant, either on her/his behalf or on behalf of one or more of her/his dependents, exceeds one thousand five hundred dollars (\$1,500) with respect to a calendar year covered by the medical insurance, such medical program under which the Flight Attendant is covered shall pay one hundred percent (100%) of the excess of that year's payments. **RE: AFA GRIEVANCE 46-99-02-50-93 ("SIBLING PASSES")**

Dear Ms. Day:

This will confirm the agreement we reached last month in settlement of the above-referenced grievance. AFA proposed, and you agreed on the following settlement terms:

1. Provided that the number of Friendship Travel Program passes remains at a minimum of six (6) per year, AFA will not pursue additional passes for siblings, as provided in Sideletter Number 13 (Pass Policy); and
2. AFA reserves the right to re-file this grievance on this issue, if the Company changes the number of passes in the Friendship Travel Program without the prior concurrence of AFA.

If the terms set forth above accurately states our agreement, please indicate by signing in the space provided below. If this settlement does not reflect your understanding of our agreement, please contact me as soon as possible.

Once we have signed an agreement, AFA will withdraw this grievance without prejudice.

RE: AFA GRIEVANCE 46-43-02-17-99 ("ZULU TIME")

Dear Mr. Miyasato:

This will confirm the agreement reached during the recent Section 6 Negotiations between the Company and AFA regarding the above referenced grievance. Because of the Company's use of Crew Track and Crew Track's limitations, AFA has agreed that, upon ratification of the tentative agreement by the Flight Attendants, this grievance will be withdrawn.

It was further agreed that if the Company acquires a different program that will be used to track FARs, and such new program has the capability of tracking FARs using local time rather than "zulu time," the Company will meet with the MEC President to determine which will be used.

GRIEVANCE MEDIATION

---

THIS LETTER OF AGREEMENT (hereinafter referred to as the “Letter”) is made and entered into in accordance with provisions of Title II of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the “Company”) and the FLIGHT ATTENDANTS in the service of HAWAIIAN AIRLINES, INC., as represented by the ASSOCIATION OF FLIGHT ATTENDANTS, AFL-CIO, (hereinafter referred to as “AFA” or the “Association”).

WITNESSETH:

WHEREAS, grievances arise from time to time regarding provisions of the Flight Attendants’ Agreement, and

WHEREAS, grievance mediation is understood to be a creative and efficient method of dispute resolution;

NOW THEREFORE, it is mutually agreed that a voluntary grievance mediation program, as an alternative method of dispute resolution, will be established on the following basis:

- A. Establishment of a Voluntary Program
  - 1. Within thirty (30) days from the date of this letter, the parties will jointly agree upon and contact an experienced grievance Mediator, mediation firm, or mediation organization to help them to develop and utilize an interest-based-bargaining grievance mediation program. Where possible, the services of the National Mediation Board will be requested. With the advice and assistance of the Mediator, the parties will establish a timetable for the selection of cases to be mediated, the selection and training of mediation participants, and for an initial grievance mediation meeting, hereinafter referred to as a “Mediation

FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-3: LETTERS OF AGREEMENT**

Conference.” The parties will also agree upon a location for the Mediation Conference.

2. Subsequent Mediation Conferences shall be scheduled on an as needed basis by mutual agreement of the parties. It is anticipated that grievances submitted for mediation would be scheduled approximately thirty (30) days after the Grievance Review Board (GRB) or, if a GRB has not been used, then thirty (30) days after the grievance has been appealed to the System Board of Adjustment.
3. Should the services of additional Mediators be needed, selections shall also be made by mutual agreement along with all necessary arrangements for such Mediation Conferences.

**B. Mediation Procedures**

1. If more than one (1) day is needed, Mediation Conferences will be scheduled for up to three consecutive days in a single week.
2. The Association will compile a list of grievances that it deems suitable for grievance mediation. The list may also contain a consolidated group or groups of grievances that concern identical or similar issues. Normally, this list will be submitted to the Company thirty (30) or more days prior to a scheduled mediation session. Within ten (10) days after receipt of the Association’s submission, the Company may submit alternate or additional grievances for possible submission to mediation. Not later than ten (10) days after this submission, the parties will meet and confer regarding the final selection of grievances to be mediated. Only those grievances or groups of grievances jointly agreed upon by both parties will be submitted to the Mediation Conference.
3. The representatives of the parties will, no later than five (5) days prior to the scheduled date of the Mediation Conference, present the Mediator with a brief written statement (not to exceed three (3) pages) of the facts, the issue, and the arguments in support of their position. The parties will also provide copies of their statements to each other.
4. In the case of a grievance filed on behalf of an individual Flight Attendant, the grievant may attend the Mediation Conference. In the event the grievant elects not to be personally present he will provide the Association with a signed request that the Association appoint an authorized representative to act on his behalf with full authority to agree to a final and binding settlement of the case. This request will also contain the grievant’s acknowledgement that he will be bound by all the terms and conditions of this Letter of Agreement if his case is

submitted to mediation. The Association shall use a request form for this purpose which is satisfactory to the Company. A copy of the forms presently used by the Association for this purpose is attached to this Letter as "Exhibit A."

5. In the case of consolidated grievances, group grievances, or MEC grievances, the designated Association Representative present shall represent the Association and all Flight Attendant parties to such grievances.
6. Both parties acknowledge the importance of having participants at the Mediation Conference who have complete authority to resolve the grievances. Association Representatives shall have the full authority to resolve grievances submitted to the Mediation Conference. Similarly, Company representatives will be authorized to resolve all such grievances. In addition, every effort will be made to insure that there are Association and Company Representatives present at each Mediation Conference who are knowledgeable of the subject matter pertaining to the grievances to be considered at the Conference.
7. The Company and the Association shall each appoint a principal spokesperson for each mediated case.
8. Proceedings before the Mediator will be informal in nature and the rules of evidence will not apply. The presentation of evidence, documentation, arguments, etc., will not be limited to that which was presented at the prior stages of the grievance procedure.
9. Other than a settlement document resulting from a successful mediation, no record in any form or medium of the Mediation Conference will be made. Any material that is presented to the Mediator will be returned to the party presenting that material at the termination of the Mediation Conference, and no copy will be retained by the Mediator or any other person or party.
10. The Mediator will have the authority to meet separately with either the Association or the Company in the Mediation Conference, but will not have the authority to compel the resolution of the grievance.
11. If no settlement is reached during the Mediation Conference, and only at the joint request of both parties, the Mediator will provide an immediate oral advisory decision. When rendering an oral advisory decision, the Mediator will state the grounds for such decision. Unless accepted by both parties, this decision will not be binding.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-3: LETTERS OF AGREEMENT**

12. The parties will write a settlement agreement to document grievances that are settled during a Mediation Conference. The parties shall mutually agree as to whether the settlement will constitute precedent, and this understanding will be included in the written settlement document.
13. If no settlement is reached during the Mediation Conference, the grievance may be heard by the System Board of Adjustment pursuant to Section 24 of the Flight Attendant Agreement.
14. The Company, the Association, and the grievant will refrain from posting, publishing or otherwise publicly disseminating information on the outcome of mediation with regard to specific cases, unless the parties have jointly agreed on the content and method of such dissemination. In the absence of such agreement, information on mediation outcomes will be disseminated only to mediation participants, grievants, other directly affected parties, Association representatives and Company employees with a need for this information.
15. In the event that a grievance, which has been the subject of a Mediation Conference, is subsequently heard before the System Board of Adjustment, the Mediator may not serve as the arbitrator. During the System Board proceeding on such a grievance, no reference will be made to the fact that the grievance was the subject of a Mediation Conference or to any statements, discussions, offers, or admissions which were made during the Conference. No written statements, documents or similar material made or used at the Mediation Conference will be referred to, offered or admitted in evidence or otherwise disclosed in any System Board, court or administrative proceeding except to the extent the party offering such would have had access or entitlement to them outside of the Mediation Conference.
16. The fees and expenses for the Mediator and conference facilities will be shared equally by the Association and the Company.
17. Nothing in this letter shall preclude the parties from agreeing to other or different methods of grievance settlement, mediation, mediation/arbitration or alternative grievance resolution.

This GRIEVANCE MEDIATION LETTER OF AGREEMENT shall become effective as of May 1, 2001, and shall remain in full force and effect concurrently with the Collective Bargaining Agreement between the Company and the Association effective May 1, 2001, as it may from time to time be amended, subject to the provisions of Section 34 thereof.

FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-3: LETTERS OF AGREEMENT**

In WITNESS THEREOF, the parties hereto sign this GRIEVANCE MEDIATION Letter of Agreement in acknowledgment and acceptance of the terms and conditions outlined herein, signed this 22nd of March, 2001.

(AFA Letterhead)

Re: (Grievance Case Number)

(Name and Address of Grievant)

Dear (Grievant's Name):

As you know, AFA and the Company have established a grievance mediation program in an effort to provide an alternative method for resolving disputes that would otherwise be handled using the grievance procedures detailed in the flight attendant contract.

The program is based upon a model developed by the Mediation Research & Education Project at Northwestern University. It has been successfully adopted by many corporations, labor unions, governmental agencies and other organizations for resolving labor grievances. Several AFA represented airlines are currently using similar programs. The method makes use of specially trained Mediators whose objective is to help both sides to a dispute identify their real interests and then to seek a mutually acceptable settlement.

Your case, (enter grievance number here), has been identified by the AFA grievance staff as one that might be very suitable for submission to the mediation program. If you agree to have your case mediated, you will need to return the attached Request for Submission to Mediation Form. If you do not return the Form, we will assume you are not interested in mediation and your case will continue to be processed in the normal manner under the grievance provisions of the flight attendant contract. If you return the form, an AFA mediation representative will contact you to provide further details about the program, and discuss scheduling your grievance for mediation.

I have enclosed a copy of the Letter of Agreement that contains the rules for the mediation program. Before deciding whether to return the enclosed form you should read this document carefully and consider several factors. First, there is no guarantee that the Company will agree to mediation of your case or that the mediation will be successful. Second, every step is voluntary and both sides must accept any settlement. Successful mediation often requires some willingness to compromise. Finally, if the mediation is unsuccessful, nothing that happens or is said in mediation may be used or referred to by either side at a subsequent grievance hearing, arbitration or other proceeding.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-3: LETTERS OF AGREEMENT**

On the positive side, mediation offers a potentially positive outcome for both parties and, if unsuccessful, the regular grievance procedures are still open to you.

In contrast, regular grievance procedures are very slow when compared to mediation, often produce results which are less than satisfactory to both sides, are very expensive for AFA and, if you lose your case at arbitration, there is no further appeal. Arbitration does have the advantage of providing a structured hearing with rules applicable to both sides and always results in a final and binding resolution of the case submitted.

Please consider these factors when you make your decision. If you have further questions, please call the MEC office and we will be happy to provide answers and additional information.

Sincerely,

(MEC President or Grievance Chair signature)

**SECTION 34-3: LETTERS OF AGREEMENT**

**REQUEST FOR GRIEVANCE MEDIATION**

TO: Hawaiian Airlines MEC

I am the grievant in (insert grievance number here). By signing and returning this form, I request that my case be submitted for mediation as part of the Hawaiian Airlines-AFA grievance mediation program. I understand that a copy of this form shall be provided to the Company if my case is selected for mediation.

I have been provided a copy of the Letter of Agreement establishing this program. I have read it and agree that if my case is submitted to mediation, I shall be bound by all the rules of the program as set forth in the Letter. In particular, I am aware that the continued success of the program depends on all parties maintaining the confidentiality of the mediation proceedings as required by the Letter of Agreement and that I and the other participants are required to refrain from any disclosure of what is said or what occurs during mediation, except to the extent that disclosure may be permitted as part of a mutually agreed settlement of my case.

I understand that I may personally participate in the mediation of my case or that I can agree to be represented by an AFA representative.

I elect the following option:

\_\_\_\_\_ I want to personally participate in the mediation of my case.

\_\_\_\_\_ I do not want to personally participate and I request that the MEC appoint a representative to attend the mediation and act on my behalf. I understand that I will have an opportunity to discuss my case with my representative and provide him with any information or other input I wish before mediation. I also understand that I may withdraw my authorization to be represented at any time prior to the commencement of mediation. I agree that once mediation begins, I will be fully bound by any settlement reached by my representative, and that such settlement will constitute a final and complete resolution of my grievance.

WHEREAS the Company has indicated that it desires to begin utilizing DC10-30 aircraft on its Current Routes (as utilized herein "Current Routes" means the Company's schedule flown by DC10 aircraft as of December 19, 1998 including the LAX-KOA-LAX and the LAX-OGG-LAX routings and charter flights on Current Routes) and whereas Section 27.C.4 of that Collective Bargaining Agreement between the Company and the AFA effective January 31, 1996 through February 28, 2000 (the "Agreement") requires the Company and the Association to negotiate and agree on additional staffing and service for such new aircraft before the Company puts that aircraft into service,

NOW THEREFORE, the undersigned parties agree as follows:

1. The Company may utilize DC10-30 aircraft without further negotiation and agreement, as long as said aircraft are used only on Current Routes and with service as currently provided (which is understood to be the first class and coach services provided under the DC 10-10 Current Routes).
2. In the event that the Company desires to use the DC 10-30 aircraft on any routes other than the Current Routes, or to modify the service from the current service utilized on the DC10-10 aircraft, then the DC10-30 aircraft shall be treated as new aircraft and the Company agrees that it will negotiate and agree on staffing

and service for the DC10-30 before the Company puts said aircraft into service on other than Current Routes or with new service consistent with the requirements of Section 27.C.4.

**APPENDIX A**

PROGRESSIVE DISCIPLINARY PROCEDURES  
for  
HAWAIIAN AIRLINES FLIGHT ATTENDANTS

General Policy:

The purpose of progressive discipline is to allow an employee who has been remiss an opportunity to improve his/her work performance. Flight Attendants shall be looked at on an individual basis. Specific factors shall be taken into consideration e.g., past record, length of service, demonstrated an improvement in problem work areas, etc. Reasonable excuses for infractions, tardiness etc., shall be accepted and not counted against a Flight Attendant. Reasonable excuses shall include delay due to weather, mechanical or circumstances beyond the control of the Flight Attendant. For example: Weather could mean a snow storm, mechanical could mean a flat tire and circumstances beyond her control could mean an accident which caused a major traffic jam which could not be detoured around. In all cases, the Spirit of Aloha shall be included with regard to progressive discipline.

Like infractions shall be grouped together. Minor and major infractions shall not be combined to accelerate discipline. The following shall serve as guidelines when it is determined that progressive discipline is warranted. Whenever possible counseling or the lesser discipline shall be administered.

I MINOR INFRACTIONS (Late Check-ins) Unexcused

Any infraction in an on-going 365 day period

Late Check-in	Counseling
Late Check-in	Counseling
Late Check-in	Counseling
Late Check-in	The fourth (4th) late check-in in a 365 day period may generate a Letter of Warning.*** (See note)
Late Check-in	Once a Letter of Warning is sent, the next late check-in within 365 days may generate another letter or a 1-3 day suspension.
Late Check-in	Once a Letter of Warning is sent, the next late

check-in within 365 days may generate another letter or 5-7 day suspension.

Late Check-in                      Once a Letter of Warning is sent, the next late check-in within 365 days may generate another letter or 8-10 day suspension.

At this point in the progressive disciplinary procedure the Company and Association will meet to determine if EAP intervention is warranted.

Late check-in                      14 day suspension

Late check-in                      30 day suspension

Late check-in                      Longer suspension up to and including termination if the late check-in occurs within 365 days of the first letter generated.

Flight Attendants shall be given a four (4) minute grace period for checking in.

II. **MAJOR INFRACTIONS (Missed Flights) Unexcused**

1st Missed Flight                      May generate counseling, an oral warning, a letter or no action

2nd Missed Flight                      May generate a letter or 1-3 day suspension\*\*\*  
(See Note)

3rd Missed Flight                      May generate a letter or a 1-7 day suspension

4th Missed Flight                      14 day suspension

5th Missed Flight                      May generate a letter or up to 30 day suspension

6th Missed Flight                      Longer suspension up to and including termination if the missed flight incident occurs within 365 days of the first letter generated.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-6: LETTERS OF AGREEMENT**

III. \*\*\*NOTE – (Clarification)

Any infraction that is 365 days old shall be erased from a Flight Attendants record as long as a Letter of Discipline (Warning) has not been issued. Once a Letter of Discipline (Warning) is issued, the Flight Attendant must go 365 days without another like infraction. When a Flight Attendant has gone 365 days without a like infraction her record shall be cleared (slate is “wiped clean”) and the letter cannot be used in any disciplinary action. If a Flight Attendant commits a like infraction after she has received a Letter of Discipline but has shown improvement over a number of months, the Company should (in the Spirit of Aloha) issue a letter in lieu of the more severe discipline scheduled in the next step of progressive discipline.

THIS AGREEMENT is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the "Company") and the flight attendants in the service of the Company, as represented by the ASSOCIATION OF FLIGHT ATTENDANTS, AFL-CIO (hereinafter referred to as the "Union").

WHEREAS, the Company has requested that the Association agree to a one-time exception to the "scope clause" provisions contained in Section I.B. and other related provisions of the Hawaiian Airlines Flight Attendants' Agreement ("the Flight Attendants' Agreement") to permit the Company and American Eagle Airlines, Inc., ("American Eagle Airlines") to enter into a Code Sharing Agreement, as that term is defined in Section 1.B.6. and related provisions of the Flight Attendants' Agreement;

NOW, THEREFORE, the Parties agree as follows:

1. Notwithstanding anything to the contrary contained in Section I.B. of the Flight Attendants' Agreement, Hawaiian may enter into an agreement (a "Code Sharing Agreement") with American Eagle Airlines that permits American Eagle Airlines to utilize the Company's designator code, name, brand, logo, marks or paint scheme in American Eagle Airlines operations over the routes (city pairs) within the continental United States as listed on Attachment A. If the Company wishes to expand the Code Sharing Agreement with American Eagle Airlines beyond the city pairs listed above, the Company will meet with the Association to seek the Association's express written approval to do so.
2. 3. It is expressly understood and agreed, however, that the Company shall not permit American Eagle Airlines to utilize the Company's designator code, name, brand, logo, marks or paint scheme for any American Eagle Airlines flights utilizing aircraft larger (i.e. with a greater than 44 passenger seating capacity) than the RJ equipment presently operated by American Eagle.
  4. The Company will promptly arrange with American Eagle Airlines to provide Hawaiian Airlines employees with discount interline pass privileges on the same basis and for the same cost as provided for American Eagle Employees on Hawaiian Airlines.
  5. The Company and the Association shall meet periodically, but no less than quarterly, to review the financial and operating results of all of the Company's code sharing agreements with other carriers and to ensure that the Company is in compliance with Sections 1.B. of the Flight Attendant's Agreement. The Company shall provide the Association and the Association's economic and legal advisors, under a commercially standard confidentiality agreement if necessary, its best available financial and operating information concerning the Company's code sharing practices with other carriers.
  6. This Letter of Agreement shall be effective as of April 1, 2003 and shall remain in effect concurrently with the Flight Attendants' Agreement unless the Association provides the Company with written notice of its intent to terminate this Letter of Agreement (the "Termination Notice") on or before April 1st in any year, in which case this Letter of Agreement shall become null and void in its entirety no later than the July 1st following the Company's receipt of the Termination Notice, without regard to whether the parties are then engaged collective bargaining negotiations under Section 6 of the Railway Labor Act, 45 U.S.C. section 156.

**BONUS COMPENSATION PROVISIONS**

---

THIS AGREEMENT is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the "Company") and the Flight Attendants in the service of the Company, as represented by the ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO (hereinafter referred to as the "Union").

**A. Performance Bonus**

Each year, the Company will establish performance goals for on-time performance, safety, etc. Based on the yearly goals, quarterly goals will be set. These performance goals will be discussed with all unions and brought to the attention of all employees. For each quarter that the performance goals are met, each active full-time employee will receive a bonus of \$150, a potential total of \$600 per year, and each active part-time employee will be eligible for a quarterly bonus of \$75 per quarter, a potential total of \$300 per year. Any bonus payments will be reduced by applicable taxes and court required deductions. If goals are not met, no performance bonus will be paid for that quarter. Performance bonus payments will be paid regardless of company profitability. Should the Performance Bonus payments be increased for any other group, such increase shall not result in a decrease to AFA's share of any Profit Bonus.

**B. Profit Bonus**

1. The total potential profit bonus will be 5% of annual pretax profits (excluding extraordinary items and charges) from the first dollar of profit. Before being allocated among employee groups, the total potential profit bonus will be reduced dollar-for-dollar by the performance bonuses and any special bonuses paid for the year, excluding any payment under the Incentive Compensation

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-9: LETTERS OF AGREEMENT**

Program. The Company may, at its discretion, pay the profit bonus on a quarterly, rather than an annual basis. Should any other group(s) be provided a different Profit Bonus formula, such group(s) will be separated into a different Profit Bonus plan so as not to negatively impact the AFA share of this plan.

2. The net profit bonus will first be divided among all employee groups (ALPA, AFA, IAM, non-represented, etc.) on the basis of each group's pro rata share of W-2 wages for the year. The pro rata share of any non-participating employee group will not be paid out to any group. Within each participating group, the bonus will then be allocated based on regular W-2 wages (as defined below) of each eligible member of the group, or another basis if that is agreed upon. Profit bonuses paid will be less applicable taxes and pre-tax deferral deductions. The Company would have discretion to set a minimum amount payable to any individual.

***Example***

If Hawaiian's 2012 pre-tax profit were \$40 million the total potential bonus payment would be \$2 million. If the Performance Bonuses paid out for the year totaled \$600 thousand, then up to \$1.4 million would be allocated among employee groups and individual employees in the manner described above.

**C. INCENTIVE COMPENSATION PROGRAM**

1. AFA will participate in the Incentive Compensation Program established by the Board of Directors for senior management, with a target payout bonus of one percent (1%) of W-2 wages. The same numerical calculations established by the Board that determines the Company's performance will be applied to the AFA, resulting in potential payment range of zero percent (0%) to two percent (2%) of the previous year's W-2 wages. Payment from the Incentive Compensation Program will be paid at the same time and in the same manner as applied to senior management.
2. Should there be any changes made to the terms of the Incentive Compensation Program during the term of this Agreement, the Company and Association agree to meet and review such changes to see what adjustments may be necessary to ensure the Flight Attendants are not disadvantaged.

**D. General Provisions**

1. Eligible employees are defined as active employees during the applicable period with accumulated W-2 wages in excess of \$500 per quarter or \$2000 per year

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-9: LETTERS OF AGREEMENT**

- unless, before the time of payout, they were involuntarily terminated or voluntarily resigned. The Performance Bonus program and the Profit Bonus program would apply to all employees meeting these criteria, except corporate officers. The above criteria would also apply to all employees and corporate officers in the Incentive Compensation Program.
2. For purposes of the plans, W-2 wages shall mean regular earnings as reported in Box 5 including employee pre-tax deferrals (e.g. 401(k) employee contributions) on previous year's IRS Form W-2 and exclude bonuses, vacation payoffs, insurance, layoff severance and other similar non-regular earnings even if otherwise reported in Box 5 on Form W-2.
  3. Payments described herein will not be treated as covered compensation for 401(k) or pension plan purposes.
  4. Participation in the Profit Bonus Program and the Incentive Compensation Program shall start as of March 7, 2012, provided that this agreement is ratified by April 18, 2012.
  5. Participation in the programs described herein shall continue through December 31, 2016, (i.e. final payouts in March 2017). While any of these provisions may be extended by mutual agreement of the parties, it is expressly agreed that notwithstanding the status quo provisions of the Railway Labor Act, this Agreement shall have no force or effect beyond the dates stated herein.
  6. The parties agree to explore a means to have the bonus compensation payments directed into the employee's 401k account.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

IN WITNESS WHEREOF, the parties hereto have signed this Bonus Compensation Provisions Letter of Agreement as of this 18<sup>th</sup> day of April, 2012.

LOS ANGELES DOMICILE

---

THIS LETTER OF AGREEMENT is made and entered into in accordance with the provisions of Title II of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the "Company") and the Flight Attendants in the service of the Company, as represented by the ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO (hereinafter referred to as the "Association").

**WITNESSETH:**

WHEREAS, the Company, in its efforts to reduce operating costs, researched the viability of continuing with Los Angeles as Flight Attendant domicile and;

WHEREAS, the Company in the interest of maintaining stability at the Los Angeles domicile requested certain changes be made to make the operation cost neutral and;

WHEREAS, the Association agreed to explore what would be necessary to have the Los Angeles domicile be either a cost savings or cost neutral operation;

NOW therefore, the parties have agreed all changes to the Flight Attendant Agreement as included herein shall apply to those Flight Attendants domiciled in Los Angeles.

1. The diurnal rest seat language is waived for flights 9/4 when scheduled as a LAX grouping, to allow the flights to be paired as a turn out of LAX without loss of revenue seats for the Company. The last sold/assigned language outlined in Section 7.D.2.f.(1) would still apply to these flights.
2. LAX based Flight Attendants who attend a 2-day training in Honolulu, shall be given twelve (12) hours domicile rest upon return to domicile.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-11: LETTERS OF AGREEMENT**

3. LAX based Flight Attendants who attend training in Honolulu will begin to receive per diem 1:15 hours before scheduled departure and until :15 minutes after arrival of the Company designated deadheading flight.
4. The Company and the Association agreed to establish alternate check-in points for the following airports: ONT and SAN. Should the Company not find suitably cost effective or efficient flying out of LAX, the Company, at its option, may build groupings originating and terminating out of the alternate airports. Such groupings shall begin and end from the same airport. If the Company exercises its right to use alternate check-in points there will be a joint review of the viability of the alternate check-in points after 3 months of actual operation.
5. The Company and the Association will establish a “call-in” procedure for Flight Attendants originating from an “alternate check-in points” to sign off for their flight.
6. Eliminate the requirements for a lounge and union office at LAX. It is understood that if the base should exceed 180 Flight Attendants the present language of the Agreement will be honored.
7. LAX based Bid Flight Attendants may have the option to work a flight into/out of Honolulu to attend training by using the contractual provisions of the Agreement.
8. The Company and the Association have agreed to revisit the issue of a reduced check-in time in the event it becomes necessary with regard to flying assigned to the LAX domicile.

THIS LETTER OF AGREEMENT shall remain in full force and effect, concurrent with the basic Agreement dated May 1, 2001.

PREFERENTIAL BIDDING SYSTEM (PBS)  
for  
HAWAIIAN AIRLINES FLIGHT ATTENDANTS

THIS AGREEMENT is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the "Company") and the Flight Attendants in the service of the Company, as represented by the ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO (hereinafter referred to as the "Union").

THE PARTIES hereby agree as follows:

- A. The Association agrees to NavTech as the new product for PBS. Such product must comply with all contractual parameters and other agreed upon parameters. The PBS system may be programmed to build partial lines after all regular bid lines have been built, as long as this does not restrict a Flight Attendant's ability to bid for days off based upon her/his seniority. Prior to final implementation of the NavTech product, the Union must sign off on the product and such sign off will not be unreasonably withheld. During parallel bidding pay protection and scheduling will be based on SBS awards.
- B. The Company agrees that any new PBS system purchased will address the recurring seniority violations. In addition the new system will build partial lines (reserve lines with projected trips) for reserve Flight Attendants.
- C. The Company agrees to add NavTech Real Time Trade/Pick-Up Board to the PBS system.
- D. Following implementation of the NavTech product, the Company may reduce the AFA PBS Representative to half-time if the work allows for said reduction.

---

THIS AGREEMENT is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between HAWAIIAN AIRLINES, INC. (hereinafter referred to as the “Company”) and the flight attendants in the service of the Company, as represented by the ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO (hereinafter referred to as the “Union”).

WHEREAS in 2011 the State of Hawaii passed legislation that impact employees’ use available sick leave; and

WHEREAS the Company would like to introduce a non-disciplinary Sick Leave Monitoring Program (SLMP) that is consistent with the State Law in Hawaii;

NOW THEREFORE the parties agree the language herein supplements the existing language in the CBA as follows:

- A. Honolulu-based Flight Attendants that have available sick leave will progress on the following non-disciplinary steps in place of the steps outlined in Section 19.R of the Collective Bargaining Agreement (CBA):
  - 1. Step 1 Six (6) occurrences in a rolling 365-day period, the Flight Attendant will be required to contact her/his supervisor and schedule a meeting.
  - 2. Step 2 Six (6) occurrences in the next 365 days, the Flight Attendant will be required to contact her/his senior manager and schedule a meeting.
  - 3. Step 3 Six (6) occurrences in the next 365 days, the Flight Attendant will be required to meet with her/his department head.
  - 4. Step 4 Six (6) occurrences in the next 365 days, the Flight Attendant will be required to meet with her/his Vice President.

**HAWAIIAN AIRLINES  
FLIGHT ATTENDANT AGREEMENT**

**SECTION 34-17: LETTERS OF AGREEMENT**

- B. Honolulu Flight Attendants who do not have available sick leave will continue to be monitored and progress as the Sick Leave Monitor Program states in Section 19.R of the CBA.
  
- C. The intent of the parties is to create a parallel track for sick leave monitoring: Employees with sick leave will be monitored pursuant to the steps herein; Employees with a zero sick leave balance at the time the sick call absence is initiated will be monitored pursuant to the steps outlined in Section 19.R. Example: An employee using sick leave who is placed on a non-disciplinary step and subsequently incurs an unpaid absence, due to a zero sick leave balance, will be placed and progress as outlined in Section 19.R of the CBA. It is understood that an employee may be placed in both monitoring tracks; placement is dependent upon availability of sick leave at the time the absence is initiated; it is further understood that an employee can be in different steps of each program resulting from the employees sick leave balance at the time individual absences occur.
  
- D. Human Resources will determine an employee's "sick leave" status. Determination of "sick leave" status will depend on whether an employee has available (paid) sick leave, or whether and employee does not have available (unpaid) sick leave. An employee's "sick leave" status on the first day of absence will determine which path (paid or unpaid) will be followed in managing the employee's absence.
